Burglar Hides in Building; \$425 Loot

8 Businesses, Homes
Hit for Cash, Guns,
Equipment, Appliances

A burglar who apparently hid inside the building when he was locked Tuesday night stole \$425 at the Tri-Mor Bowl, it was reported at 9:10 a.m. Wednesday.

The money, mostly in rolled coins, was taken from three cash register drawers stored in a file cabinet which was pried open.

Entry to the locked office was gained by entering the attic through a false ceiling, walking on duct and structure work, and knocking out the plastered ceiling in the office.

Liquor cabinets in the bar were pried open and bottles were opened. Exit was made through a rear door which was left open.

Equipment Co. Burglary
Burglars stole \$10 in coins at the Mitchell Equipment Co., 1017 East Chair Rocks road, \$550 worth of assorted mechanical tools owned by John Wickman, an employee, and assorted tools owned by John Meier, another employee, it was reported to the Madison county sheriff's office at 8:10 a.m. Wednesday.

There was no apparent sign of forced entry. The company is operated by Albert Stricker of Mitchell.

Two typewriters and a calculator stolen in a previous burglary and later recovered by police were stolen again Monday night or early Tuesday morning by burglars who broke into the Steel Haulers offices, Market and State streets, Madison, police reported at 7:30 a.m. Tuesday.

The thieves also took a radio, an electric clock, a purse and a brake for an overhead crane which was valued at \$184.

A shoplifter stole a short wave radio valued at \$85 at J. G. Goodrich store, 23rd street and Madison avenue, it was reported at 12:35 p.m. Wednesday.

Season Tickets Stolen
A 22 caliber rifle, reserved season tickets to the St. Louis Cardinals baseball games and about \$4 to \$5 in petty cash were stolen in a burglary during the night at Siderer Supply Co., 1101 Nineteenth street, it was reported at 12:35 p.m. Wednesday.

GC Steel Co. Expecting Profit In 2nd Quarter

With steelmaking capacity limited during the first quarter, Granite City Steel Company's operations resulted in a net loss, after tax adjustment, of \$1,409,000, or 32 cents per share of common stock, compared with a net loss of \$5,538,000, or \$1.28 per share, in the fourth quarter of 1968.

"When the effects of our blast furnace problem were most severe," Nicholas P. Veeder, chairman of the board and chief executive officer, announced yesterday.

In the first quarter of 1969, the company earned \$213,000, or five cents per share.

"We are now prepared to report that the serious operating difficulties which have prevailed since August 1968 and have adversely affected the company's performance for the past three quarters have been substantially resolved and are largely behind us," Veeder said.

Indications Favorable

"Based on present indications, we fully expect that profitable operations will be restored in the second quarter of 1969."

The first quarter of 1969, the company earned \$213,000, or five cents per share. It was necessary to supplement our own output of steel with the purchase of some semisolidified steel.

"The first quarter's performance also reflects production dislocations and increased costs encountered while straightening out the plant in the wake of the long shutdown of iron and steelmaking operations last year. And Granite City Steel, along with other flat-rolled steel producers, was adversely affected by the depressed prices for hot rolled sheet which prevailed until mid-way in the first quarter."

"By the end of March, however, we were approaching the break-even point. With the completion of the rebuilding of our blast furnaces, our hot rolled furnaces are now on stream and we are supplying the full steel requirements of our rolling and finishing departments."

New Facilities Performing

"We are substantially better prepared to take advantage of the demand for steel than a year ago at this time when we were contending with major breakdowns in production."

Today our new facilities are beginning to do what has been expected of them.

Stockholders were notified in the annual report that the company would not have a large enough supply of steel to meet demand to support a fully-efficient steelmaking operation during the first quarter of this year, Veeder said.

"The capabilities of our production units were, of course, severely limited in the first quarter, input production was 257,000 tons, or 32% less."

'Double' Election Fees in 11 Precincts

Fees for precinct election judges who served April 1 in the Granite City township and precinct elections total \$8650 and involve "double payments" to judges who served both, the township and the city in 11 precincts.

Combined polling places, it was discovered following city council action Monday night.

Sitting first as township board and then as the city council, the council approved township vouchers for payment of \$4640 in fees for judges serving in 32 township election precincts, and authorized payment of \$1015 in fees for judges serving in the same polling places, having the city balloting in 31 April 1 election precincts.

Get Double Payment

Voucher lists drawn by the township and the city for payment of their respective election judges show that persons who served in 11 of the 32 township precincts also served as city election judges in the same polling places, having the balloting and tabulation of votes for both elections.

Back Tax Collection Office Created

County Board Allots
\$63,850 to Collect
On Personal Property

The Madison county board of supervisors created yesterday a department for the collection of delinquent personal property taxes and appropriated a total of \$63,850 to finance the work for the rest of the year.

The department was proposed by John Maasra, county treasurer, and Marshall Smith, assistant state's attorney.

Smith told the board that delinquent property taxes over the last 10 years total \$12 million, and he believes \$800,000 of the amount is collectable.

The county would realize \$300,000 of the amount, including penalties and interest.

Of the appropriation, \$52,700 was earmarked for the county treasurer's office and \$11,150 for the state's attorney's office.

The department will operate by filing suits in small claims courts against persons who do not respond to letters regarding the payment of back personal property taxes.

Township Job

One member had suggested that the board delay a full-scale program to permit a study of outstanding taxes and to determine which persons are not paying taxes.

Another member argued that it is the job of the township collector to collect the personal property taxes.

Smith advised immediate action, and that "if we lose money, we quit. We can consider the program each year."

He added that when the taxes are not paid, the township collector can be reduced or dissolved.

"We also owe it to the taxpayers to collect from those who are not paying taxes," he said. He told the board that delinquencies exist in the larger townships much more than in the smaller ones, and that it is financially unfeasible for township collectors to do this.

He said Chouteau township presents the worst collection problem because of a large number of homes there.

Smith said that personal property taxes are so illegally assessed now that it is a "mish-mash, and probably will be eliminated at the upcoming constitutional convention."

He said that the township should pay the tax because you and I pay it," he concluded.

The board's resolution received two dissenting votes.

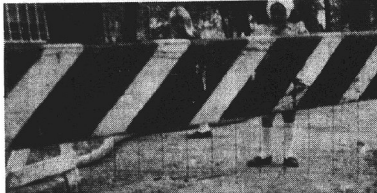

Building Study

During the building committee asked more time to study a proposal to form a building commission, leading to an advisory discussion favorable to the commission which would coordinate county building needs.

Harry Briggs, Nameoki township supervisor, noted that the longer we wait, the more expensive to the county in remodeling, repairs and purchasing old buildings.

The assistant state's attorney also favored creation of the commission.

City to Replace Sewer Line with 3 New Breaks

Daylight Time
Is Due Sunday

Quadrant City residents will see their clocks ahead one hour Sunday as daylight saving time makes its annual entry on the spring and summer seasons.

Officially, daylight time starts at 2 a.m. Sunday, but that doesn't mean that clocks can't be changed earlier, or even later.

The time change, which always occurs on the last Sunday of April, will mean the loss of an hour's sleep.

They will catch up the lost hour next October, however, when the clocks will be set back an hour, also on the last Sunday of the month.

350-Foot Section along
Amos Ave. at Fair Oaks
Drive—Other Problems

The continuing breaks in sanitary sewer lines in the Nameoki area, coupled with an increasing number of complaints from residents whose yards have been torn up with repair equipment for weeks, resulted Monday night in action by the council to completely replace a 350-foot section of the system.

The line is along Amos avenue, extending from a second break in the Nameoki school yard at Fair Oaks drive where repairs were completed several weeks ago. The break in the street was discovered this week and a third, smaller break only a few feet away.

Consideration also is being given to replacement of the 2500-foot section in the 2500 block of Lynch avenue where three breaks have occurred in the past two months and a fourth break is anticipated.

Alternate Plan

As an alternative, arrangements are being made for a closed-circuit television inspection of the trouble spots with hope that a plastic sealer can be used to forestall future breaks by sealing joints where washouts are causing the lines to collapse.

The most serious problem was termed an emergency, and the council voted 11-3 to award the contract to A. H. Seebold Co., the firm that has the contracts for the repair work. Opposed were Bartosik, Basarich, Nunn, Robertson and Johnson. Nunn said bids should be sought for the job.

He said a two-thirds vote of the council was required for such a contract award. City Atty. Scroggins replied this was not required in the event of an emergency.

Estimated Cost

Cost of the Amos avenue replacement was estimated at \$20,000 by Engineer Kenneth Kleiberger, who pointed out the first repair job on Lynch avenue cost \$28,000 and the first repair job at the break on the Nameoki school grounds cost \$16,000. Dewatering for the replacement is a major expense.

He estimated the replacement cost at \$20,000, but said that \$80,000. The city has about \$140,000 in its sales tax reserve.

As Nunn complained of the cost, he was awarded for the line replacement, Rutledge pointed out that Nunn was quick to vote for expenditures for curbs and sidewalks, but not for sewer work, though he was aware of the costly sewer breaks.

Nunn commented that taxpayers could protest the expenditure of general tax funds for the sewer repairs and that the city should have a property tax increase to pay the entire costs. "I want a legal opinion on this," he told Atty. Scroggins.

Alderman Dawes replied that residents of the Nameoki area did not want the sewers at the time they were installed, but the city went ahead with the project. "We didn't ask for them, and you gave us a lot of headaches."

"City Problem"

Johnson joined the argument. "Here we go with a battle of the wards. This is a city problem, not a ward problem. We're all one city, and if you don't think there are problems, come out and look at the back yards where the repair work is under way."

Grasping at other possible solutions, several aldermen suggested that Granite City Steel try to get the city to install pumps along to help dewater the saturated ground. Engineer Kleiberger said he had talked to plant officials on that possibility, but that the pumps, while on a standby basis, still were not a plan for the sewer system and that they would be added to convert to pump the water to Horseshoe Lake.

The possibility was included in his report to the council on the condition of the Nameoki area sanitary sewers.

Report Submitted

The report submitted to Monday's council session detailed Granite City's recent sewer problems.

Landolt Elected
To 7th Term as
Board Chairman

Harold Landolt, supervisor of
Alhambra township, was elected
to his seventh consecutive
term as chairman of the Mad-
ison county board of supervisors
at a reorganization meeting
Wednesday afternoon.

In comments after the unani-
mous vote, he denied claims by
some persons that conservative
meetings had been "rigged"
and called them untrue, adding
that such committee meetings
of the board would not be per-
mitted.

He also said, in reference to
making committee appoint-
ments, "there has been no dis-
tinction as to political affilia-
tions in the past, and that's the
way it's going to remain."

Landolt, a Republican, oper-
ates a meat packing plant in
Alhambra.

Efforts to reorganize the
board were delayed as a ques-
tion arose as to the seating of
the Foster township supervisor.

In this month's election, in-
cumbent Supervisor Thomas
Harris was defeated by three
votes by challenger Arnold Se-
gobiano, but a recount showed
the two ended in a dead heat.

Segobiano would have been
seated, but it was determined
by the credentials committee
and the assistant state's attor-
ney that he had not met bond
requirements.

Marshall Smith, assistant
state's attorney, and the State's
Atty. Gen. W. Griffin advised
that neither be seated until the
question of the winner is de-
termined in court.

Leslie Prehn of Wood River
township, veteran finance com-
mittee chairman, who was de-
feated for re-election by 10
votes, pointed to increasing
problems facing the county as
he presented some parting com-
ments.

He included the population ex-
plosion, pollution, bi-state prob-
lems, increased court loads,
landfill, campus riots, draft
card burners, one-man,
one-vote redistricting, inade-
quate jail facilities, and other
and unfair pressure on law en-
forcing officers and increasing
costs.

Prehn, long credited for his
work on county budgets and his
help in keeping the county in
the black, received a standing
ovation from other members
and the audience.

ney are James Gardner, Angela Bloodworth, Mi-
chael Rath, Dorothy Donoff and Dennis Nix.

Chess, Anyone? 'Y' Is
Scene 2 Nights Weekly

The Tri-City Area Chess club
began a round-robin tournament
Tuesday evening. Purpose of
the tournament will be to rate
players and to organize a team
which will play matches
against industrial, high school,
college and YMCA chess clubs
in this area.

Contestants in the tourna-
ment will be given three to
four weeks to finish their
matches. A match will consist
of two games. One point will be
given for a win, a half-point for
a draw and no points for a lost game.
The matches are held at the
YMCA, 2801 Edison avenue,
every Tuesday and Thursday
from 7 p.m. to 11 p.m.

All adult and high school
chess players are welcome to
attend and, if they are inter-
ested in the round-robin tourna-
ment, registration will be ac-
cepted as late as this evening.

Leaders at the end of Round
One are: Dennis Nix, 5½
points; Louis Niemeyer, 3½
points; and Jim Gardner, 2½
points.

Standings in the club's chess
ladder now show Ed Settlemyer
in the top position, followed by
Louis Niemeyer, Bill Homan
and Gerald Gushoff.

A total of 18 men and women
is competing on the chess
ladder.

Council Battle Over Comptroller Postponed a Week

The Granite City council's battle over the office of comptroller was stalled with a deferral motion Monday night. Abolishment of the office as an economy move was initially proposed at the April 7 council session when immediate action was called for but was not approved by the council. The ordinance will be resubmitted next Monday, and a veto is expected.

Fifth Ward Alderman Nunn, who initiated the move to eliminate the \$10,170-a-year office urged adoption Monday night of the ordinance which would transfer the comptroller's duties to the city clerk.

He was the only person to speak on the issue before the deferral action was motioned by Fry and Rutledge.

Nunn stressed that for two years there has been conflict between the offices of the comptroller and city treasurer. He added that previous comptrollers had much smaller staffs and had no problems.

"I haven't heard or seen any mention of the \$300 mayor's expense, and there was an overpayment of \$1400 to a developer for reimbursement of a sanitary sewer costs in a new subdivision."

He continued that the present comptroller, Robert Stevens, "is not a certified public accountant, and the late John Doobar wasn't a CPA either."

While the deferral action halted debate, it was later in the meeting—after Nunn had departed for work about 10:10 p.m.—that Alderman Rutledge pointed out the council had authorized a \$3000 annual expense allowance for the mayor.

He also said Comptroller Stevens, City Treasurer Rich and the council Finance committee experienced considerable difficulty in reimbursement of sanitary sewer construction costs to developers in the Nameoki area as there was no complete set of records. Rutledge, who headed the Finance committee at that time, said the late Comptroller John Doobar had a system of notes tucked in the sewer books as the only guide.

"It was finally straightened out by halting all payments and letting the developers submit bills, giving construction costs. Basicar, who is Nunn's companion, Fifth Ward alderman, pointed out it was unfair to continue the discussion since Nunn was not present. His recommendation to halt any further discussion until next week was upheld by the council."

Autos in Accident

A collision in the 1200 block of Niedringhaus avenue at 5:15 p.m. Tuesday involved autos operated by Frank W. Skomil, 2546 Grand avenue and Charlotte A. Wilmoth, 2023 Bryan avenue, who said she was blinded by the sun as she pulled from the curb.

2 Injured in Falls Tuesday at Hospital

A woman and a girl who fell Tuesday while leaving St. Elizabeth Hospital by different routes underwent treatment in the hospital emergency room and reported the mishaps to police following their release.

Louise Couch, 32, of 4021 Ponton road, a nurse's aide at the hospital, told officers that she tripped over curbing when running from the emergency room exit to the Tri-Cor Medical building at 21st street and Madison avenue, at 3:20 p.m. Tuesday. She complained of pains to her right knee and left foot and had x-rays.

Velma Lee Williams, 17, of 1738 Rhodes street, who was visiting a patient at the hospital, reported that she tripped over a piece of wood and fell to the ground when leaving the building at 9:30 p.m. via a fire exit door at the east end. She sustained abrasions to her left knee and contusions to her right side.

MORE ABOUT Sewer Line

breaks to "several reasons and not any one reason," and noted that future sewer line failures can be anticipated if weather conditions continue as experienced in the recent past.

Inspection of present breaks indicates that conditions at the points of failure prevail both upstream and downstream from the breaks. In the St. Clair avenue break, the report said, sanitary sewage was very muddy, indicating that water is entering through surface drainage sources along with ground water sources such as joint openings, broken house stubs, improperly constructed house connections and other line failures that have not yet been fixed.

Entry of storm water into the sanitary lines is creating serious overloading of the lift stations which were designed to adequately handle sanitary sewage capacities, plus normal infiltration, but now are considered inadequate because of the induced storm flow and clogging of the mechanical elements of the stations by debris, mud, sand and gravel being washed into the lines by a high water table.

MORE ABOUT Burglar Hides

was reported at 6:10 a.m. Tuesday.

All of the offices were ransacked. Entry was gained by breaking a rear window with a brick. A rear door glass also was broken.

Burglars forced the front door of the apartment of Katie Wooten, 1130 1/2 Salmon street, Venice, and stole a television set and \$63 cash from a drawer in a bedroom, according to a report by Venice police at 10:26 p.m. Monday. The victim told police she left the place about 5:30 p.m. Monday and discovered the theft upon her return. The intruders ransacked the apartment, police said.

William Ogden, 2103 Armstrong avenue, reported at 5:25 p.m. Wednesday that a 22 caliber pump rifle and a door key were missing from his storage bin in the basement of the apartment house in which he resides. A combination lock of the bin was found at the rear door of the basement, which had been unlocked.

A 12-gauge shotgun, a radio and a pint jar full of pennies were among loot taken by burglars at the home of Evelyn Tergovich, 1319 Washington avenue, Madison, police reported Monday afternoon. Entry was gained through the front door. The intruders also took two bed pillows, a bed spread and an assortment of gowns and bed sheets. They also took three bottles of beer from the refrigerator.

Mrs. Elmer Oburn, 3000 Dale street, reported today the theft of a coat belonging to her daughter, Mia, from the girl's locker at Coolidge Junior High school. Mrs. Oburn said the new yellow coat was taken while the girl was attending classes.

Dr. E. L. Strohede spoke on the chiropractic profession at yesterday's meeting of the Madison Rotary club, explaining the spinal nerve system and the types of care provided by chiropractic physicians. The club voted to aid a YMCA remodeling fund.

Contract Let For New Building At Worthen Park

Contract for construction of a brick and masonry building at Worthen Park was awarded by the Granite City park board last night to G. H. Sternberg & Co.

The contract was awarded on a low bid of \$12,083 plus 78¢ for installation of three metal doors instead of wooden ones. Other bids were submitted by Leo Wolfe Co., \$13,171 plus \$150, and Ed Moore Construction Co., \$17,058 plus \$290. Purchase of a new pickup truck from B. E. Hohl Co. at a low bid price of \$1823 also was authorized by the board. Four bids were submitted. Purchase of four new lawn mowers at a price of \$75 each was authorized.

To Honor Claude Poole

In preparation for the summer park season, board members granted a request by the Knights of Columbus softball team for use of the Worthen Park ball diamonds from 1 to 4 p.m. on alternating Sundays and approved plans for a May 5 ceremony at the softball diamonds to dedicate the slow pitch league for persons 30 and over in honor of Claude Poole, a renowned softball pitcher.

Paul Thompson, a newly elected member of the Park Board, was given the oath of office during the board session. He will begin his duties as assistant supervisor of the park district 1969-70 fiscal year.

Young Demos to Meet

The executive board of the Illinois Young Democratic Club will meet at 10 a.m. Saturday at the Rose Bowl restaurant. Host will be Dan Churovich, assistant supervisor of Granite City township and a member of the state board. A guest will be Harry Briggs, Democratic candidate for state senator in Tuesday's special election.

MORE ABOUT Two GC Men

jumped out of the car and ran away.

Meanwhile the sheriff's office at Edwardsville noted a Granite City police radio broadcast that Kenneth Edwards had reported the theft of his auto by two men. Deputies questioned Edwards a short time later and said he told them that he had been flagged down about 8:30 p.m. Tuesday night in the Kirkpatrick Homes area.

He said the men instructed him to drive them to the levee where they drove around drinking beer and attempting to shoot street lights.

He said one of the men then fired a shot into the left door of his car, placed the gun at his neck and told him to get out of the car. One of the men kicked him when he alighted from the car, he said. Edwards said he ran to a nearby farm home from which he called Granite City police.

Whitman was arrested in 1965 and admitted participation in 16 burglaries. He served a short term on the state farm in connection with those cases.

MORE ABOUT Election Fees

ment based on the total vote cast during the election is provided, however, at the rate of \$3 additional to each judge for each additional 100 votes, or any part thereof, in excess of the 200-vote base. Consequently a judge serving in a precinct in which a total vote of 400 is cast, for example, would receive \$37.

On the city schedule of payments, five judges in one precinct received a maximum of \$46 each; five judges in each of two precincts received \$40 each; five judges in each of two precincts received \$37 each, with all other payments ranging from the minimum of \$25 to \$24 each.

The township schedule of payment shows maximums of \$60 to judges serving in two of the 32 township precincts, with all other payments ranging from the \$25 base to \$34 each.

Precincts in which only one set of five judges served both the township and city and therefore will receive double fee payments included Township precincts 1 (City Precinct 19); No. 2 (city 20); No. 3 (city 21); No. 19 (city 24); No. 20 (city 25); No. 21 (city 27); No. 22 (city 28); No. 23 (city 28); No. 24 (city 30); No. 28 (city 25); No. 30 (city 10); No. 31 (city 31); and No. 32 (city 26).

All other precincts of both the city and township employed separate sets of election judges for the April 1 balloting. Haggauer's office announced yesterday that checks for judges serving the township election will be ready for distribution tomorrow and may be called for at the township office. City fee payments will be distributed through Penitentiary's office.

than in the first quarter of 1968. Reflecting our purchases of semiprocessed steel, first quarter 1969 shipments of 221,000 tons were 15% less than in the same period last year. Net sales in the first quarter were \$33,041,000 compared with \$38,188,000 in the first quarter of 1968.

Yegor said the company's new iron ore mine and pelletizing plant at Pilot Knob, Mo., "has moved ahead faster than anticipated since production began last summer." He added that the new 80-inch computerized hot strip mill "has shown continued, very satisfactory improvement. We have expanded with and page limitations on hot rolled products and are now filling orders previously outside our limitations. We have also made progress on a broad program of product improvements."

Mrs. Akeman, 72, Found Dead in Chair

Mrs. Lydia Merle Akeman, 72, of 2436 Bryan avenue, was found dead at home by two women deputy assessors making a house-to-house tax canvass, at 1:25 p.m. Wednesday. They could see Mrs. Akeman sitting in a living room chair and called Deputy Coroner Edward Werner, who pronounced her dead. Time of death was set at about 5 p.m. Tuesday.

Ill with asthma and a heart ailment, she had recently been treated in the hospital for pneumonia. There will be a coroner's inquiry to determine the cause of death. Her husband, Velmor Gale Akeman, was visiting in Hardin, Ill., and had been away for the past two days.

Born in Wanda, near Edwardsville, she had lived in Granite City 67 years. She was a member of the DePaul Avenue United Methodist Church, Veterans of World War I Auxiliary and the Rebekah lodge.

Other survivors are three sons, Samuel Akeman of Granite City; Robert Akeman of Tulsa, Okla.; and Richard Akeman residing in St. Louis county; one sister, Mrs. Agnes Meng of Granite City; and eight grandchildren.

Funeral arrangements are given in today's obituary column.

MORE ABOUT School Bonds

Caulley gave a resume of the National Association of Secondary School Principals meeting this spring in San Francisco and also reviewed proposed procedures for student identification cards. A decision on the cards was deferred until May.

It was noted that a Warrior Boosters fund-raising event at the GCHS school auditorium has been changed from April 27 to May 4, and the board authorized use of the auditorium May 3 for a Masquers play, "A Funny Thing Happened on the Way to the Forum" and Sept. 25-27 for a play to be given by the St. Elizabeth Hospital Auxiliary.

The board designated as a school activity a dinner honoring retiring Personnel Administrator Earl Lee at 6:30 p.m. May 14 at the GCHS cafeteria. Musical students will entertain and long-time friends of Lee will speak.

commission now. He said that \$4 million in building bonds could be sold, but explained that "it would not mean additional costs to the county as the tuberculosis tax is more than is needed now and could be reduced or eliminated to offset the building cost."

He expressed the immediate need for a new county jail, which cannot now handle the number of prisoners, and said that other departments of the county are overcrowded and will require more space in the next four years.

"A bond issue is the only practical means of financing it," he said.

The county zoning board of appeals was increased from five to seven members, and Board Chairman Harold Landolt appointed David E. John of Granite City and Clyde Donham of Wood River to the two posts.

The work of the board, including on-site public hearings, will be divided, and it was explained that it would be easier to secure a quorum for hearings.

On the request of the detention home committee headed by William Webb of Granite City township, the board employed Architect William Filipo to acquire necessary furniture, equipment, materials, fencing and landscaping at the new juvenile detention home which is nearly ready for occupancy. Filipo will receive six per cent of the cost.

Valued the architect could obtain bids and the furnishings and equipment within 10 days, while it could take his committee three months to do the work.

The board approved a personnel policy for the detention home. Applications for professional positions will be received by the chief probation officer and will be reviewed by the circuit court judges who will make recommendations on appointments.

Non-professional positions will be determined by the detention home committee. A request by the sheriff's department to employ a night watchman for the courthouse with salaries of \$400 per month was approved.

The board awarded contracts for remodeling of third floor offices of the court house to R. Dron Electrical Co. for electrical work on a low bid of \$6220 and to Melvin Suhrs of Edwardsville for general work on a low bid of \$25,195.

GC Man Seriously Hurt In Collinsville Crash

William W. Engelle, 72, Rural Route One, was improved but still in serious condition at Memorial Hospital, Belleville, today of injuries suffered when his motorcycle collided with a truck in Collinsville at 4:45 p.m. Tuesday.

The accident occurred as Collinsville police were attempting to overtake Engelle. Officers said they had seen him speeding and driving in a reckless manner on West Clay street.

Officers said they made an attempt to stop Engelle, but he continued north, colliding with the truck as it turned off Hesperia street into Elm street. Police said the motorcycle had to license plates.

Engelle's father reported the plates for the motorcycle had arrived the day of the accident. Police said they have filed charges of speeding, reckless driving and failure to have a rear view mirror on the motorcycle against Engelle. Engelle still was under intensive care today.

MHS Gladiators Preveal At Roxana Arena, 4-2

The baseball Trojans Monday rejected any thought of platonically, purely spiritual playing and resembled ruthless gladiators as they turned Roxana's home field into the Circus Maximus.

After the battle, the score stood Gladiators 4, victims 2. Madison scored in the top of the first. Bill Campbell hit a long fly on which the right fielder erred, putting Campbell on second base. Don Bunk singled for an RBI.

In the fourth inning Trojan Bob Scott singled, Dale Clinton walked, Jim Scott singled to load the bases, and Howard

Harper walked, forcing in a run.

In the sixth, Jim Scott doubled, Harper hit, and heads-up runner Scott scored from second base.

In the seventh, Campbell was hit by a pitch, Doug DeRoiser sacrificed and Bob Scott singled and stole second to put runners at second and third. Mark Wells dropped a hit just beyond the infield for an RBI. Trojan Don Bunk (2 runs, 7 hits, 1 walk, 4 strikeouts) started off but had to be aided after 5½ innings by the winning pitcher, Doug DeRoiser (no runs, 3 hits, 1 walk, 5 strikeouts).

Net Warriors Stop Redbird Team, 4-1

Tennis Warriors brought home a 4-1 win from Alton Monday afternoon, the only setback being a 5-7, 2-6 loss by Mike Loftus to Robert Simpson.

John VanBaskirk thrashed Jack Groggel 6-0, 6-2 and Mike Gaines edged Bill Wicks 7-5, 6-3. Holy-contested doubles play saw Jim Carille and Keith Nagy defeat David Livingston and Terry Carpenter 6-1, 5-7, 6-2 and Joe VanBaskirk and Dave Pieper of GCHS overcome Kim Barnett and Joshua Bank 6-2, 2-6, 6-3.

Date of an Alton-at-GCHS meet was changed to April 29.

MHS 6th at Roxana In 14-School Relays

Madison trackmen finished sixth in a field of 14 schools at the Roxana relays Tuesday.

The Trojans would have finished higher if the varsity 200 relay team had passed the baton in its usual efficient way.

Individuals who garnered points for MHS were: 100 yards, George Tyus 1st (0:55); Edward Chandler 3rd; 120 high hurdles, Van Ford 2nd (18.2); mile relay, Madison 4th; Jerry Smith, Dennis Hampton, Tex Holmes, Larry Mosby (2:44.9); sprint medley, Madison 4th; Jerry Smith, Dennis Hampton, Tex Holmes, Vann Ford, Chandler, Fred Franklin; 880 frosh-soph relay, Madison 4th; Gerald Pounce, James Youngblood, Phillip Davis, Robert Pryor; 280 HH shuttle, Madison 5th; Calvin Ratliff, Joe Jenkins, Tex Holmes, Vann Ford.

Official team results were: Roxana 60, Carterville 41½, Triad 35½, Mascoutah 34, Bethalto 28, Madison 27, Gillespie 22, O'Fallon 21, Highland 19, Dupu 18, Jerseyville 12, Southwestern 10, Waterloo 0.

In this, the 11th annual meet, two new records were set. Roger Stanton of Roxana threw the shot 53' 9/16", breaking a 1953 record set by Wilson of Westerm Military. Highland distance medley team of Al Ramisch, Gary Michael, Gary Goostenkens and Steve Luber, set a new record of 8:15.5.

Tessary, Salukis to Play at Notre Dame

After a disappointing performance in the "University of Illinois" invitation, the golfers of SIU at Carbondale had a chance to redeem themselves in a triangular match against Northwestern and Notre Dame in South Bend, Ind., Sunday.

Harvey Ott, a sophomore from Lacrosse, Wis., continues to lead the SIU shooters with a 75.1 average after six match rounds.

Terry Tessary, a senior from Granite City, follows with a 75.3 average.

Following the event at Notre Dame, the Salukis, 7-3 in dual competition, will enjoy a respite until May 1, when they will tangle with Southeast Missouri State in a dual match at Cape Girardeau, Mo.

Warrior Track Victory String Snapped Monday

GCHS trackmen lost a dual or triangular meet for the first time since April 1967 Monday at Centralia. The scores were Centralia 82, GCHS 66, Mount Vernon 10.

Though losing in cumulative points, the Warriors were not without spectacular wins. School records that had stood for 16 and 23 years were broken by the quick quartet of Mark Lakatos, Dennis Meyre, Dick Smith and Jim Jones.

They collaborated in the 440 relay for a time of 44.6 seconds to create the old record set in 1953 by George Ahlers, Lewis Kutzera, Ben Shuppert and Hulce.

Lakatos, Gillie, Smith and Jones passed the baton in the 1:50 relay in a time of one minute, 32 seconds stripping from the books the old record set in 1936 by George Ebanks,

Claude Beeler, Steve Gallauer and MacMinn.

Other Warriors placing for team points were: 2 mile, Dan Briggs 1st (10:20); Gene Briggs 3rd (10:24); 120 high hurdles, Mike Allen 1st (15.1); Mark Twietmeyer 3rd (15.5); 100 dash, Jim Jones 1st (10:21); 880 dash, Jim McDuffy 1st (2:02); John Frazier 2nd (2:03.4); 440 dash, Mike Allen 2nd (51.9); Ken Eliff 3rd (52.8); 180 yd. Mark Twietmeyer 1st (20.7); mile, Rick Rose 2nd (4:44.4); 220 dash, Jim Jones 1st (22.4 curve); Dennis Gillie 3rd (23.1 curve); mile relay, GCHS 2nd, Mike Eliff, John Frazier, Ken Eliff, Jim McDuffy (2:31.1); 880 relay, Jim Jones 3rd (4:72.7); Nelson Hediger 4th (11:11.6); long jump, Jeff Jackson 3rd (19'4"); pole vault, Mark Twietmeyer 3rd (11'); high jump, Don Smith 4th (5'10").

Baseball Groups Asked To Contact GC Schools

With the status of the Grigsby junior high school damaged to certain due to the effect of rain this winter and spring, congestion on remaining school grounds is considered likely as a record number of Granite City, Nameki-Pontoon and Mitchell teams seek to stage practices and games.

The prospect was reviewed at last night's Granite City school board meeting, with the board issuing an invitation to all teams and managers to notify the district of their requests for late afternoon and weekend use of school baseball fields.

As the needs are determined, an effort will be made to allocate the diamonds equitably, board members said.

They granted temporary permission to several teams last night, and scheduled formal decisions for their May 12 board session. In the meantime, it is hoped to hear from all interested leagues and teams.

Close Competition In Jr. High Track

Grigsby and Assumption dominated a ninth grade triangular meet Wednesday at Prather: Assumption 57, Grigsby 54, Prather 36.

First-place winners for Grigsby were Bob Prill in the 800 dash (2:18), Dennis Middleton in the 120-5 hurdles, Kevin Dyer in the high jump and Mike Rogers in the mile (5:11.2). Prather winners were Dan Patterson in the 100 dash, long jump and pole vault and Mitchell Spurlock, shot put and discus.

GCHS Loses No-Hitter, Sags in League Race

GCHS baseball players lost Monday to undefeated, league-leading Alton 3-0 and then bowed 2-1 to Belleville West here yesterday.

Alton's all-star pitcher of last year, Gary Hagen, pitched the shutout and no-hitter.

Jeff Boyles took the loss for the Warriors (4 hits, 3 runs, 3 strikeouts in 5 innings) and was relieved by Steve Harris.

Harris pitched yesterday's loss (6 hits, 3 walks, 2 strikeouts). The Warriors got nine hits but were unable to hit in clutch situations.

In the bottom of the last inning, GCHS got its only run, but left the bases loaded.

Walter Sharleville, 61, Dies Early Today

Walter J. Sharleville, 61, of Rural Route One, an employee of the Chouteau township highway department, died at 2:50 a.m. today at St. Elizabeth Hospital. He had been ill with a heart ailment, but worked at his job until entering the hospital Monday.

Born and reared in Mitchell, Mr. Sharleville was employed eight years as a chauffeur with Chouteau township. He was one of five candidates who sought the post of township highway commissioner in April 1967.

Mr. Sharleville enlisted in the U. S. Navy in January 1927 and served 11 years. He was a member of the Mitchell United Presbyterian Church.

He is survived by his wife, Mrs. Marie Sharleville; one son, five sisters, Mrs. Josephine Mitchell and Mrs. Glen Sharleville of Mitchell and Mrs. Josephine Mitchell and Mrs. Florence Deatherage, both of Granite City, Mrs. Pauline Miller of Tempe, Ariz.; Mrs. Mary Williams of Peoria and Mrs. Mabel Miller of Mt. Vernon; and four grandchildren.

Funeral arrangements are given in the obituary column.

Motorist Stops Auto, Assaulted in Street

Elmer Parks, 3000 block of Ramona drive, reported that he was assaulted by a man who had flagged down his auto in the 2500 block of East 27th street at 11:30 a.m. Wednesday.

After leaving his auto, he said he approached the man standing between two parked cars. The man was asked where he was going. The reply was home.

Parks said he then was surrounded by a number of men until he fell out of his auto in the driveway at his home. Nothing was missing. He was treated by a physician.

The assailant was described as a heavy set man with curly black hair, about 5 feet, 5 inches tall, weighing 180 pounds and wearing a light brown jacket and tan trousers.

Bricklayers Picketing Private Building Job

A new concrete block building on which the owner is doing his own work was being picketed by the Bricklayers' union today at 2917 Edwardsville road.

Two pickets this morning carried signs proclaiming that bricklayers on the job were working at substandard wages.

Edward Shaffer, owner of the property who said he has been working "off and on" on the building since early March, responded by arresting his own sign on the building. It said that "There are no bricklayers on this job—only myself."

Shaffer said the one-story block building replaces an old building and a house which he razed recently for the request of city building officials. The picketing began earlier this week, Shaffer said.

Two Girls Attending State Y's Legislature

Two girls are representing the Granite City YMCA at the 20th Youth Legislature today through Saturday in Springfield being conducted by Region 1 of the national YMCA council.

They are Linda Todoroff, daughter of Mr. and Mrs. Theodore Todoroff, 2801 Yale drive, and Cheryl Haynes, daughter of Mr. and Mrs. Robert Haynes, 2908 Lindell blvd.

Each developed a bill of her own. Miss Haynes is to introduce a bill for the "Abolishment of Capital Punishment in the State of Illinois," and Miss Todoroff's is labeled "A Signed Statement of Proof for Paid Personal Property Tax Before a Car Owner Can Apply for His Auto License."

Boy, 8, Hurt in School Bus Mishap

A small boy, five-year-old James Castello, suffered possible fracture of his right leg and scratches and bruises when he tumbled across Pontoon road in the 3800 block and was struck by a car about 11:45 a.m. today.

County authorities said the boy, son of Mr. and Mrs. Wayne Castello, 3811 Pontoon road, had gone across the road to go to the mail box and was returning home when he was hit by a westbound car driven by Pete Schermer, 2623 Delmar avenue.

Schermer took the boy and his mother to St. Elizabeth Hospital emergency room.

Former Thweatt Home Burned; Arson Probed

The Illinois State fire marshal's office is investigating a fire that damaged a home owned by Terry Thweatt near the old Chain of Rocks bridge.

The damaged house is located next door to Thweatt's residence on Chouteau Slough road. Sheriff's deputies said neighbors reported the house has been unoccupied for the past month.

An anonymous woman caller reported the fire to the Mitchell fire department. Fire Chief Lee Paul said the fire apparently started in a utility room which contains a butane burner. Thweatt is presently in St. Elizabeth Hospital at Belleville.

Boy on Bicycle Struck by Car, Hurt; 15 Auto Mishaps

A boy on a bicycle struck by a car was one of six persons injured in 15 area traffic accidents since Monday.

Rodger Bradley, seven, son of Mr. and Mrs. Donald Bradley, 2140 Lee avenue, was injured at 8:15 a.m. today when he rode his bicycle into the street from his home and was struck by an auto driven by Douglas A. Trout, 2161 Lee avenue.

The boy was taken by ambulance to St. Elizabeth Hospital where he was admitted. He suffered two large abrasions to his forehead and abrasions to his left wrist, forearm and heel.

Charles Shewell, 2349 Palm street, was injured when his auto struck a parked car owned by H. Ratcliff, 1687 Third street, Madison, at 9:50 p.m. Monday at Niedringhaus and 1500th avenues. The Ratcliff auto rolled over a no-parking sign and came to a halt at the steps of St. Elizabeth Hospital.

Shewell, charged with careless driving, was treated at the hospital for a 3 1/2-inch laceration to his forehead and multiple abrasions to his nose and forehead. Eleven sutures were required. He was released following x-rays.

Driver Hurt, Charged

A motorist charged with two traffic violations was admitted at St. Elizabeth Hospital at 10:10 p.m. Tuesday after his auto struck a parked car in the 2700 block of Buxton avenue and he left the scene.

Charged with operating a motor vehicle without a valid license and failing to do duty upon striking an unattended vehicle was Lindell Cowan, 32, of 2508 1/2th street, whose auto struck the parked car of Tillman F. Clark, 2735 Buxton avenue.

Cowan's auto, found parked in the 2800 block of Lincoln avenue by police, was towed to a garage. The driver was treated at the hospital for abrasions to the scalp and right hand and was charged with driving without a license, chest, spine, left knee and shoulder.

A pickup truck driven by Louis Santagato, 61, of 2525 Edwardsville road, was struck from behind while he was stopped to make a left turn from Johnson road onto Lydia lane by an auto driven by Richard A. Duff, 17, 401 Willow avenue, at 7:30 p.m. Wednesday.

Both drivers were injured. Duff was treated at St. Elizabeth Hospital for abrasions and contusions to both knees and left elbow. Santagato complained of pain.

Bricklayers Picketing Private Building Job

A new concrete block building on which the owner is doing his own work was being picketed by the Bricklayers' union today at 2917 Edwardsville road.

Two pickets this morning carried signs proclaiming that bricklayers on the job were working at substandard wages.

Edward Shaffer, owner of the property who said he has been working "off and on" on the building since early March, responded by arresting his own sign on the building. It said that "There are no bricklayers on this job—only myself."

Shaffer said the one-story block building replaces an old building and a house which he razed recently for the request of city building officials. The picketing began earlier this week, Shaffer said.

Two Girls Attending State Y's Legislature

Two girls are representing the Granite City YMCA at the 20th Youth Legislature today through Saturday in Springfield being conducted by Region 1 of the national YMCA council.

They are Linda Todoroff, daughter of Mr. and Mrs. Theodore Todoroff, 2801 Yale drive, and Cheryl Haynes, daughter of Mr. and Mrs. Robert Haynes, 2908 Lindell blvd.

Each developed a bill of her own. Miss Haynes is to introduce a bill for the "Abolishment of Capital Punishment in the State of Illinois," and Miss Todoroff's is labeled "A Signed Statement of Proof for Paid Personal Property Tax Before a Car Owner Can Apply for His Auto License."

Boy, 8, Hurt in School Bus Mishap

A small boy, five-year-old James Castello, suffered possible fracture of his right leg and scratches and bruises when he tumbled across Pontoon road in the 3800 block and was struck by a car about 11:45 a.m. today.

County authorities said the boy, son of Mr. and Mrs. Wayne Castello, 3811 Pontoon road, had gone across the road to go to the mail box and was returning home when he was hit by a westbound car driven by Pete Schermer, 2623 Delmar avenue.

Schermer took the boy and his mother to St. Elizabeth Hospital emergency room.

Former Thweatt Home Burned; Arson Probed

The Illinois State fire marshal's office is investigating a fire that damaged a home owned by Terry Thweatt near the old Chain of Rocks bridge.

The damaged house is located next door to Thweatt's residence on Chouteau Slough road. Sheriff's deputies said neighbors reported the house has been unoccupied for the past month.

An anonymous woman caller reported the fire to the Mitchell fire department. Fire Chief Lee Paul said the fire apparently started in a utility room which contains a butane burner. Thweatt is presently in St. Elizabeth Hospital at Belleville.

Boy on Bicycle Struck by Car, Hurt; 15 Auto Mishaps

A boy on a bicycle struck by a car was one of six persons injured in 15 area traffic accidents since Monday.

Rodger Bradley, seven, son of Mr. and Mrs. Donald Bradley, 2140 Lee avenue, was injured at 8:15 a.m. today when he rode his bicycle into the street from his home and was struck by an auto driven by Douglas A. Trout, 2161 Lee avenue.

The boy was taken by ambulance to St. Elizabeth Hospital where he was admitted. He suffered two large abrasions to his forehead and abrasions to his left wrist, forearm and heel.

Charles Shewell, 2349 Palm street, was injured when his auto struck a parked car owned by H. Ratcliff, 1687 Third street, Madison, at 9:50 p.m. Monday at Niedringhaus and 1500th avenues. The Ratcliff auto rolled over a no-parking sign and came to a halt at the steps of St. Elizabeth Hospital.

Shewell, charged with careless driving, was treated at the hospital for a 3 1/2-inch laceration to his forehead and multiple abrasions to his nose and forehead. Eleven sutures were required. He was released following x-rays.

Driver Hurt, Charged

A motorist charged with two traffic violations was admitted at St. Elizabeth Hospital at 10:10 p.m. Tuesday after his auto struck a parked car in the 2700 block of Buxton avenue and he left the scene.

Charged with operating a motor vehicle without a valid license and failing to do duty upon striking an unattended vehicle was Lindell Cowan, 32, of 2508 1/2th street, whose auto struck the parked car of Tillman F. Clark, 2735 Buxton avenue.

Cowan's auto, found parked in the 2800 block of Lincoln avenue by police, was towed to a garage. The driver was treated at the hospital for abrasions to the scalp and right hand and was charged with driving without a license, chest, spine, left knee and shoulder.

A pickup truck driven by Louis Santagato, 61, of 2525 Edwardsville road, was struck from behind while he was stopped to make a left turn from Johnson road onto Lydia lane by an auto driven by Richard A. Duff, 17, 401 Willow avenue, at 7:30 p.m. Wednesday.

Both drivers were injured. Duff was treated at St. Elizabeth Hospital for abrasions and contusions to both knees and left elbow. Santagato complained of pain.

Secretaries Honor Member During Annual Banquet

Mrs. Dorothea Will Maley was winner of the title of "Secretary of the Year" of the Tri-Cities Chapter, National Secretaries Association, at the Secretaries Week banquet Monday evening at the Granite City Army Depot Officers Club.

The award is presented annually to the member who accumulates the most points earned through regular meeting attendance, committee work, securing new members, taking educational courses, attending NSA conventions, and taking the Certified Professional Secretary examination.

Although Mrs. Maley is one of the newest members of the organization, she has been active as chairman of the Education committee, and is furthering her own education by attending classes at Southern Illinois University—Southwestern campus, where she is a secretary in the president's office. She is also a member of the board of directors of the Tri-Cities Chapter and has been nominated for treasurer.

Mrs. Maley is the wife of Murray Maley and the mother of three daughters. The family lives at 1308 Lexington avenue, Collinsville. She has been employed at SIU-SW since 1960.

A surprise award of long stemmed red roses was presented to six past SOTY winners, including: Mrs. Charlene Vunovic, 1962; Mrs. Mary Sedekum, 1964; Miss Jane Davis, 1965; Mrs. Helen Giesseman, 1966; Miss Twila Edmonds, 1967; and Mrs. Joy Augsburg, 1968.

More than 100 members and guests were welcomed to the banquet by Mrs. Bettie Davis, president of the Tri-Cities Chapter, and an explanation of Secretaries Week was given by Mrs. Sunny Scruggs, mistress of ceremonies. This is the 18th year in which Secretaries Week has been nationally observed and it is in honor of all secretaries, not only NSA members.

Walter Elliot of St. Louis, the current "Boss of the Year" of the chapter, addressed the group, and entertained the group, and an explanation of Secretaries Week was given by Mrs. Sunny Scruggs, mistress of ceremonies.

Special recognition was given five members of the Alton chapter which organized the Tri-Cities chapter in 1961.

Local NSA members began the week with attendance at Sunday services at St. Bartholomew's Episcopal Church, followed by a brunch at the home of Miss Jane Davis, who was assisted by her mother, Mrs. Dorothy Davis.

Another highlight took place yesterday when 40 NSA members and prospective members, and 22 "bosses" met at the Stadium Club in St. Louis for luncheon. Charles P. Whitehead, General Steel Industries, and first "boss of the year," was host. Present at the luncheon were representatives of three other chapters other than the Tri-Cities Chapter, including:

SECRETARY OF THE YEAR selected by the Tri-Cities Chapter of the National Secretaries Association, Mrs. Dorothea Will Maley, being toasted at the Secretaries Week banquet. Seated, left to right, are—Mrs. Peggy Burch, a guest, and Mrs. Bettie Davis, president of the local chapter. Standing are—Mrs. Maley (left) and Mrs. Bernice DeRouse, corresponding secretary.

Mrs. Joyce Rodgers, president of the Abraham Lincoln Club in Springfield; Miss Virginia Nichols, president of Lindbergh Chapter, St. Louis; and Mrs. Juanita Henderson, who heads the Alton Chapter.

A favorite of the "bosses" was the "Be Nice to Your Boss" day observed Tuesday when suggested ways to improve the boss' day included having flowers on his desk, serving his coffee throughout the day, doing his work even better and more efficiently than usual, and in general putting into practice all the qualities that make up a good secretary.

Girls in the senior secretarial class of the local high school were taken into offices of NSA members today in an effort to acquaint them with the true working life of a secretary.

Tri-City Chapter members will conclude the week by meeting at Burns Cafeteria Friday for breakfast.

The local chapter consists of 24 members representing more than a dozen companies. Any secretary interested in learning more about the National Secretaries Association is invited to attend a meeting at 8:30 p.m. June 5 at the Army Depot Officers Club.

Job's Daughters Guest Night

Bethel 43, International Order of Job's Daughters, held a guest night meeting Tuesday at the Masonic Temple.

Mrs. Nell Baskette, guardian, opened the meeting and Miss Mariana Sullivan, honored queen presided.

Officers of Bethels in Alton, Wood River and Edwardsville filled the stations for the evening.

Those escorted and introduced were: Honored Queens Becky Rogers, Bethel 85, Alton; Linda Wood, Bethel 88, Wood River; and Linda Schmitt, Bethel 72, Edwardsville; past honored queens Karen Green, Alton; and Mrs. Eleanor Todoroff, Granite City, who is also Director of Epochs of Bethel 43; Miss Debbie Field, honorary grand second messenger of Bethel 85; and Mrs. Mary Lasiter, guardian of Bethel 88; Mrs. Norma Mohler, Bethel 88; associate guardians William DeVous, Bethel 88; Bernard Sandifer, Bethel 72; and Paula Schneider, Order of Rainbow girls, Alton, worthy adviser.

UPW Honors Mrs. Nyboer

The United Presbyterian Women of First Presbyterian Church met Tuesday evening at the church with about 60 members and guests attending.

Mrs. Dee Roberts, UPW president, opened the meeting and paid tribute to Mrs. Beryl Nyboer for her many years of service in various departments of the church. Mrs. Nyboer, who is planning to leave in the near future to reside in Florida, was given a standing ovation by the group.

Mrs. Virginia Evans was in charge of the program which consisted of four piano selections by Miss Young Bang Cho, a talented young Korean girl who is attending Colgate junior high school and is also a music student at SIU-SW.

The members also heard talks by two missionaries to Petchaburi, Thailand, who are here on leave, Rev. and Mrs. Henry Bucher. Mrs. Bucher told of her experiences as a teacher in the schools there and Rev. Bucher conducted a question and answer period relating to their work in both church and schools.

Circle Three served as hosts.

Golden Circle Plans Bazaar

The Golden Circle group of Kirkpatrick Homes held a business meeting Tuesday in the recreation hall with Mrs. Glen Christy, president, in charge following the usual opening ceremony.

Plans were made for the bazaar and dinner on May 13 and committees were appointed. Mrs. Ruth Purkey was named general chairman.

Mrs. Eva Durham conducted a short memorial service for deceased members and games were played.

The members celebrating birthdays in April were recognized and the special prize was won by Pete Ernst.

After the smorgasbord meal, a jewel pin ceremony was held and pledges Mary Modica, Carole Poole, Carole Moschetti and Barbara Orris received pins which symbolize full membership in the chapter. Kathy Dehnal received a 10-year membership award and Betty Arbeiter received the first Pearl Award. The latter award is presented to new members who participate in a wide range of chapter activities during their first twelve months in ESA.

A silver baby cup was given Mipe Modica for a new arrival for her family, and games were played, the prizes going to Mrs. Modica, Elaine Prince and Carole Poole.

Others attending were Judy Whittaker, Sue Sanasarian, Joyce Albers, Rosalie Bunte, Betty Bucatch, Virginia Peters, Mary Mirro and Gerry Mendez.

EAGLES AUXILIARY TO MARK MOTHER'S DAY

Nomination of officers for 1969-70 took place at a semi-monthly meeting of the Eagles Auxiliary of Aerle 1126 at the hall Tuesday evening. The president, Mrs. Helen Lipchik, was in charge of the business session.

Reports were given by the secretary, Mrs. Eleanor Hadley, and treasurer, Mrs. Leona Delaloe. The president announced that the next meeting May 13 will be at 6:30 p.m. Mother's Day dinner, prepared and served by men of the Aerle. A general meeting will follow the dinner, with an annual memorial service in honor of deceased members.

A dance will be held May 3 at the hall to help finance "Little City" and the Jimmy Durante crippled children's fund. Mrs. Marge Hall, who is chairman for Little City, will be in charge of the tickets. A District Eight meeting will be held at Jerseyville May 4 at 2 p.m.

Officers nominated were: junior past president, Mrs. Lipchik; president, Mrs. Helen Frazier; vice-president, Mrs. Vera Hornyak, chaplain, Mrs. Vina Shone, conductor, Mrs. DeLores Klesh; secretary, Mrs. Hadley; treasurer, Mrs. Delaloe; inside guard, Mrs. Opal Cain; outside guard, Mrs. Nancy Mullen; three-year trustee, Mrs. Stella Miller; two-year trustee, Mrs. Lucy Williams; and one-year trustee, Mrs. Cora Barr. Delegates whose names were submitted were Mrs. Hornyak and Mrs. Hadley.

The election is to be held in June.

A fellowship hour was enjoyed and prizes were won by Mrs. Mildred Shifter, special prize, and Mrs. Florence Hagnauer, white elephant prize.

Refreshments were served to 40 members by Mrs. Klesh and Mrs. Hornyak from a table decorated in a yellow and white color theme. The centerpieces were arrangements of large daisies interlaced with greenery.

NIEDRINGHAUS TROOP 47 WELCOMES MEMBER

Niedringhaus school Brownie Troop 47 met at the school Tuesday with the leader, Mrs. Jo Ann Dix, assisted by Mrs. Jenette Holder and Mrs. Barbara Schreiber. A new member, Linda Hagler, was welcomed.

A flag ceremony, with Karen Gurrel and Becky Sage as flag bearer and caller, opened the meeting. Roll call was answered with names of flowers

by prospective members; present scouts answered with summer activities.

Work continued on sewing lessons. The girls completed embroidery on quilt blocks and learned how to attach a button. Prizes were awarded for the best blocks, and the winners were Lisa Curtis, back stitch, and Terri Detering, cross stitch. Judges were two of the mothers, Mrs. Bell and Mrs. Schreiber.

New Brownies worked on

their "leaves of good deeds" for an investiture ceremony in May and colored dolls. The meeting adjourned with a "magic tunnel" and the "smile song."

Present were Patti Cook, Julie Daniel, Diane Dix, Elizabeth Eck, Debbie Fickor, Karen Lawrence, Laura Leet, Jane Matosian, Brenda Rutledge, Renee Sharp, Lisa Sheld, Cathy Shemonia, Lori

Enrollment at 2 SIU Campuses Tops 1968

Spring term enrollment at Southern Illinois University's two campuses is 30,567, a jump of 381 students over the same period a year ago.

Registrar Robert McGrath said the record figure also represents a stabilizing trend in quarter-to-quarter enrollments. The 20,579 students attending SIU at Carbondale this spring is a drop of only 4.8% from the fall total, while enrollment on the Southwestern Campus—9,978—is only 3.5% lower than it was last fall.

McGrath said Graduate School enrollment has held fairly constant since last year despite some selective service inroads. The graduate student count on both campuses is 4,907 this spring, compared to 4,954 last fall.

Undergraduate figures by class for the spring quarter are: Freshmen—9,714; Sophomores—8,816; Juniors—6,003; and Seniors—5,497.

COUNTY INACTION AT MITCHELL has resulted in these two old buses remaining next to the Chain of Rocks road at the Mitchell business district since Feb. 21. They are not in running condition, lacking motors and windows.

Truck-Auto Collide

An auto and chow-mobile truck, traveling north in the 1900 block of Grand avenue, collided about 9:45 a.m. Wednesday when the truck driver, Emil Hack of St. Louis, attempted to make a left turn. Driver of the second vehicle was Dean Mayberry, 2739 Grand avenue.

Bible Authority Will Give 14 Lectures Here

Rev. Finis Jennings Duke, author and lecturer, will speak each day at 10 a.m. and 7:30 p.m. from April 27 to May 4 at the Tri-City Park Tabernacle, Maryville road and Clark avenue.

He is vice-president and executive director of the Bible Research Foundation, Inc., a non-profit religious organization that publishes many of his books on the Bible.

He is president of Duke Bible Sales, a profit corporation that publishes the Duke annotated Reference Bible, a new edition of the King James Bible with Rev. Duke's own side column notes. It is described as the only Bible in print with a complete concordance and complete commentary in one volume.

He will lecture on Bible subjects and answer Bible questions at the end of each talk. The series is designed to cover the entire Bible in the 14 lectures.

Rev. Duke has just returned from a tour lasting several weeks in Asia, Africa and Europe. He will give facts about these lands and their relation to Bible prophecy, especially concerning Israel and Bible lands.

State CD Staff Expects Area Levees to Hold

Nearly 75% of flood prevention work in Illinois has been completed and unless exceptional heavy rainfall or fast snow melt in northern areas still occurs most levees will contain the rising waters of the Mississippi River, according to Col. Donovan M. Vance, Illinois state civil defense director.

The CD official noted that in excess of \$1 million has been spent in floodfighting programs to date and untold thousands of man-hours contributed by volunteers in completing levee reinforcement with the Corps of Engineers and in other precautionary projects. Flood crests are expected at East Dubuque on May 26 and at Graton on May 5, he said.

Prospects appear good in Illinois unless unusual circumstances in isolated areas or extremely heavy rainfalls are experienced, Col. Donovan reported.

Objections to Old Buses Along Road at Mitchell

Madison county has taken no action to get two old buses removed from a lot adjacent to the Chain of Rocks road south of Illinois Route Three because the county zoning ordinance may be too vague in its wording.

Jack Clifford, zoning administrator and building official, told the Press-Record yesterday.

Mitchell residents say the vehicles, lacking engine equipment and with many broken windows, were towed to the lot Feb. 21. A letter by Clifford on the subject March 19 said "no violation exists."

The property is zoned B-3 (light commercial). The lot is located to the side of the building as shown on the plan, there would then be no blocking of traffic on Iowa street.

National asks only that the street be changed back to a two-way street for this we are willing to relocate our loading facilities to the side and contribute \$500 toward improvements on Iowa in escrow, so that at whatever date the city might decide to make any improvement plan, it would have this money to help defray the total expense.

"We would like the city council to vote to make Iowa street a two-way street and decide at that time whether or not additional funds that the city would need to make shown improvements."

Two-way street would fulfill its requirements immediately. They have received many oral and written complaints from customers of our store who are also citizens of Granite City.

At noon the group attended the host club's meeting and luncheon, at the YMCA, with Warren Decatur, president, presiding.

Each of the visitors spoke briefly at the meeting, reviewing points of interest they had visited since arriving in this area the early part of March. Zenichi Yamashita, District 370, Kyushu, Japan and will conclude their local visit today. They will stop in the Carlinville area and proceed to the eastern part of the country before returning to their country on May 18.

Following the Tuesday luncheon, the foreign businessmen were taken to the home of a Japanese-American, Mrs. Donald (Shima) Evans of 3452 Lydia lane, decorated with oriental furnishings and conversed in their native language. During the afternoon they were taken on a tour of A. O. Smith Corp. plant and a site of new construction.

The group was housed in homes of Bethalto Rotarians who planned to conduct the visit.

Collide in Madison
Damage to two autos was caused by a collision at Sixth street and Madison avenue, Madison, at 8:30 p.m. Tuesday. Madison police said a car driven by Daniel R. Alfrey, South River, N.J., was damaged in the front, and a car driven by Jackson M. Stewart, 405 Weaver street, Madison, was damaged on the right side. The mishap occurred as Alfrey was headed south on Madison avenue and Stewart was headed north on Madison and making a left turn into Sixth street, police said.

Driving Charge Fined
Paul J. Wilson, 2601 North street, was booked on a careless driving charge at 6:15 p.m. Tuesday at 22nd and Missouri avenues.

Apple Blossom Day in Calhoun county will be observed Sunday, with St. Matthew's Lutheran Church in Brushy host. A family-style dinner for visitors from noon to 5 p.m. Blossom-filled orchards in the county have attracted thousands of sight-seers for many years.

Authorities note that thousands of apple trees are in full bloom by Sunday. They also report the apple ferry has stopped running because of Mississippi River flooding, but point out that motorists can drive to the area via Hardin.

National Food Wants 2-Way Traffic on Iowa

A request by National Food Stores for two-way traffic on Iowa street at the rear of its store at Madison avenue and Nunez road was received Monday night by Granite City council members and was referred to Fourth Ward Alderman Robertson and Green for study.

The request was submitted by Terry R. Smith of the firm's real estate department, who said the 3000 block of Iowa street has caused a problem at the store for over a year.

"Iowa street is a one-way street which acts as a queue to the store for customers coming from south of our store and wishing to make a left turn onto the property," Smith said.

"We at National have spent a great deal of time, money and energy trying to solve this problem. In the past year we have submitted several plans for city approval, and also have offered \$2000 toward curbs or any repairs the street might need now or in the future, with the money being put in escrow in a bank of the council's choice."

"On June 24, 1968, I received a letter from Kenneth A. Kleberger, city engineer, stating he had submitted our latest proposed street layout for Iowa to the members of the council and that it was checked and there was an agreement with the design as shown on the plan, it would then be no blocking of traffic on Iowa street."

"We at National have agreed that if the Iowa street is located to the side of the building as shown on the plan, there would then be no blocking of traffic on Iowa street."

National asks only that the street be changed back to a two-way street for this we are willing to relocate our loading facilities to the side and contribute \$500 toward improvements on Iowa in escrow, so that at whatever date the city might decide to make any improvement plan, it would have this money to help defray the total expense.

Two Rotary Clubs Host 7 Japanese Businessmen

Seven Japanese businessmen who visited the Quad-Cities this week in connection with the Rotary International Group Study Exchange team, were guests Monday of the Madison Rotary Club, under the guidance of Richard Sues and Alex Schenckhoff and on Tuesday by the Granite City Rotary club.

John Polson accompanied by Carl Mathias, Joseph Smith, Richard West and John Krevich as representatives of the Granite City club, met the visitors at the Wilson Park Recreation Center on Tuesday and began the day's activities with a tour of the residential area of the city and a stop at the Chain of Rocks Canal Locks.

At noon the group attended the host club's meeting and luncheon, at the YMCA, with Warren Decatur, president, presiding.

'Green Tuesday' Trip By PTAs Set May 13

On Tuesday, May 13, members of PTA units in District 29, which includes the Quad-City area, will travel by bus to Springfield to meet with area legislators, observe the General Assembly session and visit committee hearings. It was announced today by Mrs. Mary Jessee of District 29, ICPT, legislative assistant.

Reservations for the trip will be accepted by Mrs. Jessee through next Thursday, May 1, at a cost of \$3 per person for roundtrip transportation. A chartered bus will depart from the Belmore Village shopping center at 8 a.m. May 13.

The visit is part of the "Green Tuesday" project planned by the Illinois Congress of Parents and Teachers with the cooperation of the Illinois Association of School Boards.

Its purpose is to demonstrate by their presence in the state capitol that members of the PTA and other interested citizens are worried by the financial problems of Illinois schools and anxious for their elected officials to recognize the necessity for more state aid.

The chartered bus trip is not limited to PTA members, the coordinator pointed out, "anyone interested in advancing education in Illinois is welcome to join us."

Reservations may be sent to Mrs. Jessee, 3261 Carlson avenue, Granite City, or further information may be obtained by calling her at 876-3878.

Concrete in Alley Damages Auto Gears

Granville R. Welch, 2234 Grand avenue, told police at 12:30 a.m. yesterday that the transmission of his auto was damaged when he drove over a large piece of concrete laying in the alley between Grand and Madison avenues, off 22nd street.

The motorist said that no barricades were around the area, where construction apparently was unable to be moved at that time was under way. The auto was due to damaged gears, the owner said.

☆ SOCIETY ☆

Club Welcomes Two Members

Mrs. Vernie Von Nida, leader, opened a weekly meeting of the Whittie by Whittie club of Take Off Pounds Sensibly Monday evening at the Levee District building.

A weigh-in was conducted by the recorder, Mrs. Rosalie Bronnauer. Mrs. Gladys Hutson called the roll, with members responding with losses or gains and presenting a weight loss pledge for the coming week. Penalties were given out to those who had shown a gain. Mrs. Virginia Coter presented a financial report.

Mrs. Ruth Coad was crowned "Queen of the week." She was presented with the jeweled tiara, and club members honored her with a song.

Certificates were distributed to division weight loss winners certified by the national Tops headquarters in Milwaukee, Wis.

Two new members were welcomed by the club—Mrs. Helen Patterson and Mrs. Ruth Hubbard. A guest was Mrs. Lynne Gamble.

A discussion was held on changing various rules and adding new penalties to aid in achieving weight goals.

A thank you letter was read from Mrs. Crystal Grate, area supervisor, for the club's help and attendance at "area recognition day" held in Peoria. She suggested attendance at the next recognition day at Springfield in October, when awards will be given and winners will be recognized.

Mrs. Agnes Korn, chaplain, closed the meeting. As coffee was served by the week's hostesses, Mrs. Jo Gipsen showed color slides of the club's coronation held in January.

A silent auction was held under the direction of Miss Mary Wetzel. Present were Mesdames Nancy Bernick, Carmen Bricker, Sharon Bricker, Sharon DeFries, Gloria DeFries, Mary Free, Iris Gauen, Julie Greer, Jacqueline Ring, Linda Miles, Kathy Pfaff, Norma Ruhl, Sharon Rojas, Jerry Skaggs, Shirley Sobolewski, Judy Webb, Jo Ann Zotti and Betty Young.

The club will hold its next meeting at 7 p.m. Monday at the Levee Building.

GOING-AWAY PARTY FOR DIX FAMILY

Mr. and Mrs. James Dix and children, Linda, Greg, Debra and Brenda, were honored at a going-away party this week in the home of the former's brother-in-law and sister, Mr. and Mrs. Clarence Wallace, 344 Myrtle avenue.

The Dix family, living at 173 Big Four place, will leave May 15 for Zuerbach, Germany, where Mr. Dix will be employed by the U. S. Government. He served as a quality control specialist at the Granite City Army Depot for 26 years and expects to be in Germany three to five years.

A pot luck dinner was served to the guests of honor, Mr. and Mrs. Wilbur Dix and children, Mike, Terry, Donnie and Dennis, Miss Laura Bogewich, Mr. and Mrs. Melvin Richardson and daughter, Karen, Mrs. Dwayne Sullivan and daughter, Laura Ann, Mr. and Mrs. Harvey Dix and children, Patty and Carol, Mr. and Mrs. Charles Stephens and daughter, Deana, Mrs. Homer Travis, Carl Wallace, Harold Wallace, and Mr. and Mrs. Donald Taley and son, Richard.

MRS. IDA MOSBY, who celebrated her 93rd birthday this week.

Observes 93rd Birthday

Mrs. Ida Mosby, who makes her home with her son and daughter-in-law, Mr. and Mrs. Thomas Wayne Mosby, 208 Adams street, celebrated her 93rd birthday this week and in honor of the event, Mr. and Mrs. Mosby held open house. About 200 guests called throughout the day.

Mrs. Mosby, a native of Dixon, Mo., has made her home here since 1905 and for the past six years has resided with her son and family. She has an other daughter, Mrs. Walter (Mary) Hanfelder, also of Granite City, eleven grandchildren and 22 great-grandchildren.

Miss Barnes Is Engaged

Mr. and Mrs. Doyle O. Barnes, 4912 Hill avenue, are announcing the engagement of their daughter, Miss Janice Kay Barnes, to Sp4 Robert E. Lienemann, a son of Mr. and Mrs. Elvin W. Lienemann, 247 Adams street, Edwardsville. The bride-to-be is employed at the Anna Henry Nursing Home in Edwardsville. Sp4 Lienemann is stationed in Fort Hood, Tex., with Co. C, 123 Maintenance Bn.

The wedding will take place June 14 in Texas.

Mothers Day Tea Planned

Mothers of Phi Delta Lambda chapter of Beta Sigma Phi met Monday evening in the home of Mrs. Ellen Wilson.

Present were Mrs. Sharon Burnett, Miss Claudine Hancock, Mrs. Anita Huckla, Mrs. Donna Lane and Mrs. Cathy Warfield.

Plans were made for the Mother's Day tea on May 11 at the Wilson home, and a brief resume was given of the convention in Vandalla attended by Mrs. Burnett, Miss Hancock and Mrs. Lane. Refreshments were served.

NAMEOKI METHODIST CIRCLE MEETS

The Every-Member-Busid Circle of the Nameoki Methodist Church met Tuesday evening with Mrs. Ruth Hancock, 3227 Maryville road.

A dessert course was served and the hostess, who was re-elected chairman, was in charge.

The lesson from the book "Victory Through Surrender," by E. Stanley Jones, was given by Mrs. Dorothy Luckert. The May meeting will be with Mrs. Virginia Carroll, 3284 Rodger avenue.

A number of the members attended a worship convocation at Keil Auditorium, St. Louis, last night.

Also present were Mrs. Mildred Nancey, Mrs. Vivian Gault, Mrs. Jane Patton, Mrs. Mary Jane Fester, Miss Jane Elkins and Mrs. Helene Bischoff.

VACATIONS IN SOUTH

Miss Ella Ray Smith, 1208a Niedringhaus avenue, accompanied by Mrs. Edward Warner of Collinsville, Fla., has returned from Jacksonville, Fla., and an eight-day circle tour of the

14 Arrested in Traffic Drive

A crackdown on traffic violators was underway today by Madison and Venice police with 14 arrests in Madison and three in Venice.

Dennis Garver, 732 Twenty-sixth place; Larry Richardson, 2436 East 34th street; Edward Gaffney, YMCA; Larry White, East St. Louis; Marshall Sims, East St. Louis; Gale Belton, 645 Mercedia street, Venice; Michael Parks, 2017 Maryville road; Wilma Lowry, 1803 Edison avenue; Robert Cavley, 2215 Edison avenue; Willie Harris, East St. Louis, all on speeding charges.

Gaffney also was charged with driving without a driver's license. Madison police also arrested Jimmy Kesterson, 1549 St. Clair avenue, on a charge of making unnecessary noise with a motor vehicle and careless driving. All of the defendants posted their licenses or cash bonds pending magistrate hearings on May 7.

Venice police arrested Wilbur Burnham, 1733 Spruce street, and Richard Gansner, Collinsville, all on charges of speeding on Broadway. Their hearings also are set May 7.

Amsted Industries announced Tuesday in Chicago that it had net income of \$2,254,000, or 62 cents per share, in the quarter ended March 31, 1969, up from \$1,809,000, or 65 cents per share, in the same quarter last year. Three-month sales were up to \$84,901,000 from \$83,324,000 a year ago.

Joseph B. Lanterman, chairman and chief executive officer, said sales of Burgess-Norton, acquired in May 1968, accounted for the major portion of the increase in sales. He noted that "Earnings for the quarter would have been higher except for the continuation of the increase in sales—higher wage and salary rates, the 10% Federal income tax surcharge, and the inability to increase selling prices of side

A house burglary last week-end and a grocery store burglary on April 10 were reported solved by Madison police today along with recovery of the articles taken in the house burglary.

Police said a suspect has been booked for questioning in the burglary case which involved a break-in at the home of Evelyn Turgovich, 1319 Washington avenue, in which a shotgun, a radio, bed spread, sheets and clothing were taken. All of the articles were recovered.

Name of the suspect was not released pending further investigation which officers said may lead to solution of several other burglaries and thefts.

In the burglary of the Market Basket grocery store, 200 Edwardsville road at 12:35 a.m. April 10, police said they had apprehended a 15-year-old boy who admitted to having broken into the store through a window with a concrete block, took a quantity of cigarettes and fled when he saw a police car approaching.

Police were alerted to the store break-in by a burglar alarm. Officers said the juvenile and his mother agreed to pay the cost of the broken window.

Stolen Auto Found

A 1964 auto stolen from Willie Johnson, St. Louis, while it was parked in East St. Louis, was found abandoned at 5:40 p.m. Wednesday by Madison county sheriff's deputies at Eagle Park road and Route 203. It was in running condition but a tire was flat and the license plates were removed. The car was towed to a Madison garage.

Bill's Office to Abolish Seal of County Sup.

Four bills sponsored by Rep. Sam Vadalabene (D-Edwardsville) providing for abolishment of the office of county superintendent of schools and creation of educational service regions passed the House committee on County and Township Affairs yesterday by a vote of 17-0.

The bills are designed to make each county in the state an educational service region. These regions can voluntarily consolidate before 1973 and after that, the Superintendent of Public Instruction can consolidate any region having less than 18,000 inhabitants with an adjoining region.

Social Concerns Council Sets Community Needs

Representatives of 23 organizations of the Quad-Cities area developed a list of the principal needs of the community in the health and welfare field at the quarterly meeting of the Quad-Cities Social Concerns Council held Wednesday afternoon.

Howard Colquhoun, manager of the Tri-Cities Chamber of Commerce, chaired the session, which was held in the Fellowship Hall of the First Presbyterian Church, M. & W. in Van Metre, president of the Council, opened the meeting.

The 30 participants of the meeting were divided into four groups, and discussed top priority needs. The principal

items uncovered were listed, and representatives present were asked to take them back to their organizations for discussion and to initiate action.

A report on accomplishments or other needs uncovered will be brought at the next meeting of the Social Concerns Council June 11.

Given top priority by the group were—a county public health department; more services for the elderly, such as transportation; neighborhood centers home care for the homebound and health care; social services director, better communication between black and white communities and in-hospital psychiatric services.

NAVY CHIEF SMITH
Medal Winner

Medal Awarded Chief Smith

Navy Chief Warrant Officer Darrel O. Smith, 38, son of Mr. and Mrs. Ogle Smith, 2813 Copeland street, and husband of the former Miss Norma Newman, all of Granite City, was awarded the Navy Commendation Medal during ceremonies at the Naval Air Station Whiting Field, Milton, Fla.

He was awarded for his heroic action in an incident last August while serving aboard the attack aircraft carrier USS America off the coast of Vietnam.

He was crash and salvage officer when an incident occurred which could have proved disastrous had it not been for his quick thinking. When a parachute flare was accidentally ignited and blown under the nose section of an aircraft loaded with bombs, Smith used a 12-foot applicator to drag the burning flare clear of the aircraft. After the flare was partially extinguished, he dragged it into a clear area to burn out.

Smith is presently serving at NAS Whiting Field where Navy and Marine Corps student pilots receive flight training in the T-28 "Trojan" propeller-driven aircraft. He entered the service in October 1959.

SEEKERS BIBLE CLASS

PLAN SOCIAL IN MAY
The Seekers Bible class of Grace Baptist Church met at the home of the president, Miss Gay Woodson, 2133 Belmont street, Monday evening for its April meeting, and plans were made for a May social.

The program opened with prayer by the class teacher, Mrs. Frances Carey, and the members repeated the class motto and sang the class song, "Have Thine Own Way, Lord." Miss Woodson presided over a business session and a report of the March meeting was read by the secretary, Mrs. Linda Hogan.

The class selected a new resident of the Carni Children's Home for whom to supply partial sponsorship. It was decided to begin collecting articles now for Christmas gifts to the girl.

Mrs. Mary Lee Kiel asked for volunteers to do church work on Mondays.

Miss Woodson will be in charge of the May sandwich social, which will be held in the church fellowship hall. It will be in lieu of the regular meeting. The members will entertain their husbands as guests, and the date will be announced at a later time.

The group elected Mrs. Judy Aiello as its treasurer. Mrs. Carey gave a devotional on "Love and Concern For Others" from the Calvary road book, and she offered closing prayer.

Games and refreshments were enjoyed following adjournment. Others present were Mrs. Madeline Cook and Mrs. Linda Hutchings.

LEADER APPOINTMENTS TO BE GIVEN IN MAY

The Neighborhood Service Team of Neighborhood Three Girl Scout leaders held its April meeting in the home of Mrs. Virginia Marlette, 2300 Clinton drive, Monday evening with the chairman, Mrs. Mary Lockhart, presiding.

Mrs. Vivian Davis gave a report on a training seminar for chairmen, organizers and consultants, held earlier in the day at Camp Lakota. Mrs. Lockhart discussed a projected plan of work and new scouting forms.

The consultants were reminded to contact leaders concerning a business meeting and dinner at Fitcher's restaurant in Belleville May 1. At that time, leaders' appointments will be announced.

Mrs. Doris Votaw, chairman for District Four, explained the basic functions of troop organizers and consultants and their responsibilities to assigned troops.

She distributed leader packets and talked on a new form of training that will be conducted in individual neighborhoods.

The service team informed the chairman of changes and additions to present troops in the neighborhood, and reports were given on several new troops.

Mrs. Marlette served refreshments to those mentioned and Mesdames Velma Collins, Jo Ann Dix, Mary Franklin, Jo Ann Farrett, Olivia Kunemann, Mae Lee and Doris Stotz.

HIKE TO PARK COOKOUT

Junior Girl Scout Troop 704, sponsored by the Webster PTA, assembled at the school Monday afternoon with the leader, Mrs. Mae Lee, assisted by Mrs. Elizabeth Griffin. After roll call and dues collection, they hiked to Wilson Park and back for a cookout.

Mrs. Lee stressed safety around a fire preceding the hike. The scouts discussed the buddy system and sang en route to the park. The two-mile hike will be applied toward requirements of the foot traveler and outdoor cook badges. The members enjoyed a walk through the gardens and a recreation period in Area Five. They prepared hot hamburgers, hot dogs, potato chips, vegetable tidbits, dessert and a beverage for their evening meal.

PLAN INVESTITURE
Brownie Troop 889 met Tuesday to make plans for an investiture ceremony. The girls were led by Mrs. Valara Schorfhiede, Mrs. Anita Moody, Mrs. Barbara Blackburn and Mrs. Alma Buente.

After a flag ceremony, the members made invitations for their parents to attend a mass bridging for all Webster troops which will advance to new levels May 6 from 7 to 9 p.m.

Prospective Brownies made hand-shaped invitations and the older girls made wings, signifying the "flying up" to a Junior Scout troop that night.

Attending were Pamela Allen, Robin Beavins, Susan Buente, Rebecca Grimes, Wendy Ann Moody, Renee Noll, Rob Pilch, Susan Prokopick, Sheri Ross, Kathy Ruffelt, Becky Schorfhiede, Barbara Smith, Robyn Stark, Lori Taylor, Rebecca Waltemate, Carol Weber, Connie Blackburn, Connie Brumbauer, Loranda Bush, Rebecca Calk, Julie Grider, Donna Heil, Christine Kuehnle, Sandy McMaster, Cynthia Parsons, Lesian Thompson, Sheila Watson and Nancy Watkins.

REHEARSAL BY NEW TROOP
Members of a new Brownie troop met at Marshall school Tuesday afternoon to rehearse an investiture ceremony under the leadership of Mrs. Yvonne Kidman and Mrs. Faye Wentz.

The Brownies repeated the pledges and promises in unison and sang the smile song. Mrs. Kidman reminded them of registration fees to be turned in at the next meeting.

Work continued on good deed leaves which will be used for a path to the "Brownie forest" during an investiture. Junior Scouts Debbie Dutton, Donna Stout and Leslie Courcle of Troop 718 attended to teach the prospective Brownies several songs. All troops at Marshall will participate in the special

Answering roll call were Boyce Clark, Pamela Constant, Peggy Ervin, Debbie Hamilton, Laura Holloway, Carol Kidman, Ellen King, Michele Mirabal, Janet Nunes, Christy Peach, Karen Roberts, Kim Ragan and Sharon Werner.

BROWNIE, JUNIOR ACTIVITIES MAY 3

The final meeting of the scout year for Neighborhood Two Girl Scout leaders was held Tuesday evening at McKinley school. Committees were appointed for the coming year.

The meeting was called to order by the chairman, Mrs. Doris Wood, who announced that a Brownie and Junior fun event, previously conducted district-wide, will be handled at a neighborhood level. Day camp registration may be turned in to the district chairman, Mrs. Doris Votaw, 2708 Angell drive.

The leaders discussed training held today for camp workers. Two more sessions will be offered May 13 and May 27.

District Four Junior fun day was canceled and the neighborhood scouts who had reservations will meet at Shelter Five at Wilson Park May 3 from 9:30 a.m. to 2:30 p.m. for a special event. Also scheduled that day is a Brownie hobo hike that will begin at 8:30 a.m. at Emerson school and return at 3 p.m. Reservations must be given to Mrs. Loretta Conley by tomorrow.

The leaders were reminded of a council meeting to be held in East St. Louis April 30; registration will be at 9:30 a.m.

A planning committee will meet at the Wood home, 412 Iowa street, May 6 to arrange a Junior Scout camping trip to Camp Chan-Ya-Ta June 6-7-8. A bridging ceremony for qualified Juniors will be held at Prather junior high school May 19 at 7 p.m.

A leaders' dinner will be held at the Round Table restaurant May 28; a car pool will be assembles at Prather. Reservations are to be given to Mrs. Wood by May 13. Mrs. Loretta Conley will be in charge of a "fly up" immediately after classes at Washington school May 28.

Final plans were made for a Brownie and Junior trip to Meramec Caverns in June. Buses will depart at 7:45 a.m. return at 5 p.m. on a date to be selected. The troops will meet at Emerson school and leaders were assigned to individual buses.

Refreshments were served to 12 leaders by Mrs. Barton and Mrs. Wood from a table decorated with a floral and fruit arrangement, using white daisies as the main theme. The next scheduled meeting is Sept. 4.

SOCIETY DISCUSSES
BON VOYAGE TEA

Announcement was made Tuesday evening at the April meeting of the St. Elizabeth Altar Society that Fr. Lawrence J. Mattingly, pastor, will be honored at a bon voyage tea Sunday, April 27, at 2 p.m. Members of the parish are being invited to attend. He will be departing May 5 for a three-week tour of Europe.

Mrs. Marie Planitz, president, opened the meeting with prayer. Mrs. Margaret DeRozier read a report and correspondence, including an invitation from Mrs. Clara Schillinger, Duquesne of Isabella region, to attend an evening of recollection at the Concele in St. Louis county May 20.

The ladies were invited to attend a May fellowship day luncheon at the First United Presbyterian Church. Mrs. Jean Vrenick distributed dolls for members to outfit. The dolls will be used at the annual Christmas bazaar in November.

Mrs. Betty Stegemeier, program chairman, led a discussion of the St. Louis Municipal Opera and it was decided to attend a performance of "Mame" July 15.

Mrs. Planitz reminded the ladies of annual Communion Sunday May 4 at the 8 a.m. Mass with breakfast following in the cafeteria.

Refreshments were served by the hostesses, Mrs. Lillian Turk, assisted by the co-hostesses, Mrs. Janet DeRousse, to 65 members and guests.

The program was presented by Mrs. Mary Scarsdale and Mrs. Bonnie Watson, assisted by Mesdames Francis Miskaonis, Mickie King and Doris Kmucha in demonstrating care and wearing of wigs and wigs.

Sister Jean's Room, 1714 W. 24th, was the site of a luncheon for the next meeting will be May 27 at 7 p.m.

FIRST COMMUNION FOR

MELISSA CORCORAN made her first communion Sunday morning at the 10 o'clock Mass at the St. Margaret Mary Church. Guests were received in the home of her parents, Mr. and Mrs. Kelly Corcoran, 2504 Ford lane, during the afternoon.

Attending were Mr. and Mrs. James Reidelberger and daughter, Theresa, of Venice, Mr. and Mrs. Ronald Zimmerman and children of St. Louis, Mr. and Mrs. James E. They enjoyed a fishing trip to Bate City, Mo., and attended a baseball game of the newly-organized Kansas City Royals.

DELEGATES RETURN

FROM STATE PTA MEET
Returning home Sunday from the Illinois Congress of Parents and Teachers convention held in Chicago were nine from the Granite City school district.

Participants were Mrs. Twila McKinney, president of the Area PTA Council, Robert Kirgan, president of Parkway PTA, Mrs. Arlene Haldeman, newly-elected president of the Coslidge junior high school PTA, Mrs. Mary Fehrman, new president of Frohardt PTA, Roger Deltour, vice-president of the Maryville PTA, Mrs. Jean Thornton, new president of Mitchell PTA, Mrs. Vera Farrow, delegate of the Nameoki PTA, Mrs. Beverly Foote, new president of the Nameoki PTA and Mrs. Kyte Bailey, retiring president at Nameoki school.

The group was addressed by Mrs. Irvie Henderson, national president of Albuquerque, N.M.; 232 registered delegates attended, with additional guests making the grand total 255.

Conferences were held, with legislation discussed and acted upon.

Granite City is a member of District 29, which was cited for the most outstanding increase in membership in the state during the past year.

Mrs. Marty Holland, District 29 director, announced that all local membership awards and certificates will be presented at the next Area PTA meeting May 21 at Maryville school.

Mrs. McKinney has announced that the meeting will include a

school of instruction, with all incoming officers and past officers and chairmen urged to attend; individual workshops will be held for various PTA offices.

Kirgan received an ovation from delegates attending the presidents' conference for his comments on obtaining cooperation of PTA members.

The theme received emphasis during the remainder of the activities.

Ray Page, state superintendent of public instruction, presented greetings at a banquet and Bergen Evans, professor of English at Northwestern University, talked on "The Search For Authority."

Avenue state convention will be held in Springfield.

Guild of Organists Plans Recital Here

The St. Louis Chapter, American Guild of Organists, will hold its meeting, dinner and recital at St. Peter United Church of Christ, 21st and Cleveland blvd., on Monday.

This is one of the only two times this Chapter has held a meeting outside of Missouri in its 50-year history. Robert Dames, organist of the church and W. A. Brummer, organ-builder and organist, will be hosts. Dinner will be served to about 100 members and guests by the Women's Guild of the church.

A recital at 8 p.m. will be played by Kathleen Thomerson of Collinsville and present minister of music at University Methodist Church, St. Louis. She studied in Paris for two

years on a Fulbright scholarship with the eminent organist Jean Langlais at St. Clotilde, Paris. Her recital will be in lecture form and devoted entirely to the works of Langlais. The public is invited. St. Peter Church was chosen for this recital because the large organ is well suited to the type of music. Known as the Brummer Memorial organ, it has 48 ranks of pipes, a total of 1900 pipes and is the largest organ in Madison county.

3 Committees of Citizens Making Education Study

The Citizens Study Group for Educational Efficiency held its third general meeting Monday evening and set its fourth session for 7:30 p.m. Monday, May 5, at the Granite City school district office, 20th and Adams streets. Previous meetings were March 10 and 17.

In addition to the general Anderson are serving as general coordinators, with the remainder of the group divided among the three committees. William L. Harris, chairman of the study group, presided at Monday's discussion. He and School Comptroller Victor G. March.

One committee, known as Local Conditions and Public Relations, is seeking means to satisfy more completely the needs of students who do not intend to enter college, and to stimulate the interest of all parents in school programs. Gilbert Wainsley is acting chairman, and serving with him are Mrs. Georgiana Van-Buskirk, J. J. Pitman, Irvin

Slate Jr., Mike Sikora, Billy H. Terrell and Harry Lane. School Design, Age Grouping Another unit, School construction-Design and Middle School, is dealing with ways to design and erect school buildings to most effectively serve the schools and the community, including "middle school" or junior high school programming. Topics include which

class and age groups to assign to elementary schools, junior highs and high schools. Acting chairman is Tully Heubner. Members are Mrs. Ertha Scott, Mrs. Twila McKinney, Miss Leigh Heller, Arthur Griffin, George Becker and Al P. Steinhauser. The third committee, Extended School Year, is studying methods of scheduling, further

utilization of buildings and equipment, and related factors. William F. Winter is the acting chairman. Others on this committee are Ernest E. Veihl Jr., Ernest A. Karandjeff and Les Reid. Additions to the school year committee are Leo H. Konzen, former co-chairman of the Citizens Steering Committee that was active prior to the December 1968 school bond

election, and James L. DeMonte, who headed a faculty committee that studied school utilization in 1968.

2 Area Projects Given Gateway Committee Okay

Application for federal funds to pay for one-half the cost of a four-lane highway from Pontoon road in Granite City to Interstate 270 and a request for \$225,000 in federal aid for sewer construction in State Park Place in Nantawicki township were among four projects approved by the executive advisory committee of the East-West Gateway Coordinating Council Monday afternoon. The committee's recommendations will now go to the Gateway Council's board of directors which serves as a clearing house for projects of regional importance that involve federal funds. Robert Kronst, District 8 engineer for the Illinois Highway Department, estimated the cost of the Route 203 improvement at about \$2 million, but said work will begin on the project until the federal freeze on Madison-St. Clair county highway funds is lifted. It will not be this year, Kronst said.

Nameok Project
The State Park Place sewer project was developed by Nantawicki township officials after they were unable to obtain financing for a township-wide sewer program. Both projects will be considered by the Council's board of directors May 7.

A three-day grand opening program will be presented by Village Green Mobile Sales, a newly-opened business at 4114 Pontoon Road. The firm is handling quality units in the 12-foot wide category in lengths from 43 to 65 feet.

Manufacturers represented by the firm include Delta, Concord and Liberty. The firm is operated by Charles Cromeans, a resident of Granite City and a

In addition to the sales area, Village Green is developing a 135-space mobile home court at 3801 Lake drive.

Madison-Venice Head Start Project to Begin Mid-June

Project Head Start, a program of pre-school training and enrichment for disadvantaged children, will start in mid-June at centers in Venice and Madison, members of the Venice board of education were informed Monday evening.

Venice Assistant Supt. Robert N. Vickers, who will direct Head Start in the Madison and Venice districts this summer, advised board members that three classes will get under way June 16 in Venice, continuing through Aug. 4.

Due to the extended school attendance period in Madison, eight Head Start classes scheduled to be held in that community will begin June 20.

Madison pre-kindergarten youngsters will attend four hours per day instead of the usual 3½-hour session to end the program by Aug. 4.

Parent Coordinators The school administrator

noted that "parent coordinators" for various sections of the community are to be employed this year for the Head Start program.

The individuals selected will work closely with teachers, parents and pre-school children during the program and help to organize Head Start Parents Advisory committees, also a new innovation.

The parent coordinators will be hired on a year-around basis, receiving a \$2 hourly wage. He said it is anticipated that Head Start will be switched to a full 12-month program, possibly by next fall.

Board Committees Named In other action at Monday's monthly school board meeting, Leo Davinroy, newly-elected board president, announced committee changes and members for the 1969-70 school year. Named chairman of the building committee was Fred Rumpf, with James Bailey and Elmer Taylor; purchasing — Taylor, chairman, with Willie C. Johnson and Jack Tolliver; personnel — Fred Durer, chairman, with Bailey and Rumpf; and finance — Tolliver, chairman, with Johnson and Durer.

The board authorized payment of tuition fees at a junior college for Larry Cecil James, 1301 Oriole street, Venice, and the transfer from Title I to the working cash fund of \$10,000 as repayment of funds borrowed earlier.

Leave of Absence A leave of absence without pay for the 1969-70 academic school year was granted to Willie Walker, a Venice grade school teacher, who notified the board that he wishes to continue his educational studies to obtain an advanced degree.

Also approved was the resignation of Mrs. Betty Haug, Venice high school business education teacher, who has been on a leave of absence since last year.

Permission was given to the Greater Bethel A.M.E. Church of Venice to use the Venice grade school auditorium on Sunday, Sept. 28, for concluding religious services following a five-day conference series at area churches.

About 1000 persons are expected to attend the final services. The authorization was made subject to payment of a \$100 advance retainer to cover custodial fees.

Propose Custodial Talks Elmer Gruen, secretary of

Business Services Employees Union Local 88, informed the board that union officials are ready to proceed with negotiations for a new agreement, a two-year pact between the Venice school district and Local 98 expires June 30.

Durer, a new chairman of the personnel committee, was asked by Davinroy to schedule an early meeting date with union negotiators.

Other actions approved by the board on recommendation by Supt. of Schools John O. Pie included renewal of a student accident insurance program and the Page Insurance Agency at the same base rate as of the current year, and renewal of a contract with the Bi-State Transit System for school bus transportation.

Vickers said the current three-year contract with Bi-State terminates in June and the transit company is offering a two-year contract, covering the 1969-70 and 1970-71 school years.

Cost of bus transportation next year will be \$86.30 per day, a minimum of \$3.77 per hour, while in 1970-71 the rate will go to \$100.50, with a \$4.07 minimum. The 1968-69 rate is \$80.65 a day.

Highway Safety Program for GC

A highway safety program for Granite City, with matching funds provided by the federal government, was authorized Monday night by Granite City council members.

Police Chief Veizer said it will be a complete revision of the city traffic code, three police officers to train in traffic accident investigation at Northwestern University, and a school program for pedestrians in kindergarten through sixth grade.

The overall program would cost close to \$10,000, but the city would be credited in its matching funds with the salaries of police officers, while training Veizer said it would be necessary for the city to budget the full amount, half of which would be reimbursed. The program was approved for the police and legal departments, subject to possible change by the new council when the new fiscal year begins May 1 and new aiders are seated.

Cat That Bit Girl Sought by Family

A long-haired gray and white cat, possibly a pit Persian, which bit a small girl Saturday afternoon, is being sought in the vicinity of the 2800 block of Iowa street to prevent the child from developing a series of anti-rabies shots.

The youngster is Mary Lee Mitchell, seven-year-old daughter of Police Sgt. and Mrs. Harry Mitchell, 2800 Iowa street, who was bitten by the cat while playing in the backyard of her home. She is a first grade pupil at Sacred Heart school.

The cat appears in fairly good condition, apparently well fed, but is "wild acting" and seems afraid of people, Mrs. Mitchell said.

Should the cat not be found and caught by this weekend, Mary Lee will have to start the anti-rabies serum shots Monday.

Any person seeing the cat is asked to call the city humane officer, police department or the Mitchell family.

HONORED AT SHOWER Mrs. Howard E. Harper, 3019 Marshall avenue, was guest of honor at a blessed event shower Monday evening in the home of Dr. and Mrs. F. B. Dionea, 2657 Cleveland blvd., given by Mrs. Ann Harper, Mrs. Lottie Harper, Mrs. Etta Hawk, Mrs. Carolyn Miller and Mrs. Mary Tindall.

Table appointments were in shades of white, pink and blue with a pink and blue trimmed centerpiece. At the individual place settings were miniature pacifiers in keeping with the main color theme.

Following opening of the many gifts, a social hour was enjoyed. Prizes were awarded to the winners during a game period.

The hostesses served refreshments to the honored guest and Mesdames Doris Schelper, Carol Franklin, Mabel Turnbull, Sandra Filad, Beverly Nelson, Judy DuBay, Dorothy Nieper, Wanda Tindall, Etta Tindall, Donna Harper, Joan Dorowski, Edie Story, Grace Bourbon, Eva Perkins, Phyllis Sell, Bobbie Hall, Lela Presswood, and Donna Dionea and Misses Jeanne Prewett, Pat Harris, Geri Harris, Jeanette Wolowski, Lois Wrigley, Linda Harper, Susan Tindall, Mary Ann Tindall and Selma Miller.

Joint Madison-Venice Bus

Five buses are utilized to transport Venice students, and one vehicle overlapping into the Madison school district to shuttle students from an outlying area to both Venice and Madison high schools, thereby reducing costs, Vickers explained.

It was agreed to contract with the Hester Bradley Heating Equipment Co. to inspect and service heating pumps in Venice school buildings during the summer months, with an initial inspection cost of \$25 per pump.

Permission was granted to the Venice high school senior class to start its annual class trip May 21, providing that all final examinations are completed the previous day. Vickers said the trip usually is made following Baccalaureate Sunday and before the date of commencement exercises. However, he noted, only two days occur this year between the two events, leaving insufficient time for graduating students to take the trip that late.

A request for an educational field trip, proposed by the senior class in government, to the state capitol building at Springfield was referred back to senior class members to complete monetary arrangements.

Board members earlier had offered to finance half the cost of the outing, with students contributing the remainder at \$2 per person.

A one-year teaching extension over the retirement age was authorized for Mrs. Marguerite Weaver, a first grade teacher, who was hired for the 1969-70 academic year.

Drop in Attendance

A decrease in attendance during March, due in part to the bus transportation strike, was reported by Vickers, who announced attendance as 80% kindergarten; 90.2% elementary; and 90.6% high school, for an overall figure of 90.59%.

The percentage figure in February, usually a low attendance month, was 91.31%, Vickers said.

Board Secretary Fred Rumpf reported balances of \$2384 in the revolving fund, with receipts of \$437 and disbursements of \$112; and \$108 in the activity fund, which showed receipts amounting to \$1331 and disbursements of \$592.

Annual Family Service Agency Dinner April 28

The Family Service Agency of Southwest Hills will sponsor a marriage, family and individual counseling agency supported in part by the Tri-Cities United Fund, will hold its annual report meeting at the Stop Light restaurant, East St. Louis, Monday, April 28, at 6:30 p.m.

Dr. Cameron Meredith, noted psychologist from SIU-SW, is to be the featured speaker. He will discuss "Parent-Child Relationships."

Reservations can be made by telephoning the agency offices at 397-2542 before April 26.

Rearrangement of Port Area Rail Line Authorized

Rearrangement of rail lines to provide a lead track to the newly-developed area of Bulk Service Corp. at the Tri-Hi-Y Regional Port was authorized by the port board in meeting Monday afternoon.

Carl Rant, port manager, said that moving a line along the riverfront will provide for part of the extension of a new line to the area that will be developed by Bulk Service Corp. with new warehouse construction.

The board also discussed plans for a general cleanup of the area entering the port just north of the railroad tracks where dumping of trash and refuse has created an unsightly condition. Rant said a cleanup of the area and some landscaping work will present a better appearance to persons entering the port area.

Plans for installing a truck scale in the port area also were discussed, and Rant said he authorized to check with state highway officials, as well as the heavier industries, as to prospective weight minimums of trucks hauling steel products and other heavy items. Rant said he expects truck traffic over port roads to increase to about 3000 trucks a year after the new Bulk Service Corp. warehouse facilities are completed.

Rant reported that bids for construction of the warehouse facilities were to be received by representatives of Bulk Service Corp. this week. The work will get under way as soon as a contract is awarded. The construction contract will be awarded by Bulk Service Corp.

Mental Health 'Bell Ringer' Drive in May

Mrs. Donald Hunter, 2411 Washington avenue, will serve as chairwoman of a Quad-City area mental health fund campaign, it was announced today by the Madison County Mental Health Association. Senator William Lyons will serve as honorary chairman. Part of an annual nationwide campaign which supports science, service and social action programs of the Mental Health Association, it will begin with the opening of Mental Health Month May 1 and continue through May 31.

"During the week of May 19-25, a 'bell ringer' campaign will be conducted. Volunteers will visit neighbors to distribute information about the illness and to receive contributions. The group is not a member of the United Fund.

GC Tax Collector Bond Fee Under Fire by Council

A \$3012 bill for premium on the tax collector bond for City Treasurer E. R. "Pat" Rich was separated from the regular bill list Monday night by Granite City council members at the request of Alderman Rutledge.

Earlier in the meeting, a proposal was submitted by Kegel Real Estate & Insurance Agency to provide the bond for \$222. Rich pointed out the Kegel firm had provided the bond last year at a premium cost of \$200, while Miller-Wolfe Realty this year offered the bond for the \$3012 figure. Rich added that delay by the council in providing the bond could stall the receipt of tax books from the county.

Suggests Bids
Alderman Fry suggested the city advertise for bids, and Rutledge said the council should give further study to the proposal by Kegel agency. A bid was separated from the \$37,536 bill list was a bill for \$97 submitted by Kegel Real Estate & Insurance Agency at a hearing held March 31. Alderman Boyd called for the separation and explanation of the bill.

Mayor Partney said the firm records all hearings which he conducts as liquor commissioner and that the March 31 hearing concerning the complaint filed by Edwardsville individuals against City Treasurer Rich in connection with his oil firm and business with the city.

Boyd pointed out the hiring of the firm had not been authorized, and other aldermen complained the hearing was not conducted by the courts. The hearing was called by Mayor Partney.

The bill list cut to \$34,428 with the separations, was approved along with a \$51,842 half-month payroll.

Mayor Partney on the bill list were \$10,763 paid to B. E. Hohl, Inc. for four 1969 police cars, \$2570 to Research Police Design Associates for consulting engineer services in 1968, \$3006 to W. H. Lochner, Inc. for engineering inspection services for the storm water sewer project in March.

There also was a bill paid to Aetna Insurance Co. for employees' hospitalization and insurance in April. The firm notified the city that a premium is due May 1 and will be raised 37% because of high hospitalization costs for employees that amounted to 107% return the first year and 147% the second year.

Because the policy expires in only a few days, the council filed the notice and plans to seek bids next year.

Also, the city was advised the firm carrying city liability and workmen's compensation insurance plans to exclude claims resulting from riots and civil disturbances. The notice was referred to the city attorney.

Election Judge Pay
In separate action, the council approved payment for polling place judges in the April 1 election, but will seek half the return to the township as well as half the \$767 cost for meals for the judges and \$882 for polling place rental.

On the credit side, the city was advised by the state revenue department that income from sales tax for January amounted to \$39,184.

A resolution was adopted to transfer \$3022 from sales tax reserve and \$2500 from the contingent fund to be placed in the election account.

At the request of Alderman Johnson, a resolution protesting Gov. Ogilvie's proposed 4% income tax and 2 1/2-cent increase in state gasoline tax is to be prepared for adoption and forwarding to the governor. "Maybe this will catch on throughout the state," Johnson said.

Alderman Fry reported the special committee is in negotiations for new wage agreements with city employee unions and that it is unlikely the talks will be completed by May 1 when his term on the council expires. He suggested that he be re-elected immediately. Other members of the committee are Moerlein and Dawes.

ROGER L. RAHLFS

WALTER J. FRANK

Two Promoted at GC Miles' Union Division Plant

Appointment of Walter J. Frank as general distribution manager, and Roger L. Rahlfs as traffic manager of the Union Division of Miles Laboratories was announced today by J. A. Ewart, director of materials management.

Frank is joining the Union Division after 11 years with Ralston Purina Co. where he held managerial positions in grain and ingredients buying, warehouse operations and customer service.

Rahlfs has been with Union Division since 1962, has served as a rate analyst and, most recently, as traffic supervisor. He formerly served in various sales based positions. Rahlfs is a graduate of Belleville Junior College with an associate arts degree in business administration.

Frank is a graduate of Cornell University with a B. S. degree in agricultural economics and a masters degree in business administration.

Union Division is a major producer of corn syrup, corn starch citric acid, caramel color and cyclamates used principally in the preparation of food and beverage products. Headquartered in Granite City, the division's domestic operations include manufacturing facilities here and in Elkhart and Edinburg, Ind.

Richard J. Kalvy, 2245 Edison avenue, was ticketed Monday on a charge of having an improper display of state license plates on the rear of a 1968 Ford Mustang at 22nd street and Edison avenue.

GC Aldermen 'Divide' Zone Recommendations

Granite City council members voted Monday night to concur in a City Plan Commission decision to deny a zoning change for four lots at 1412-18 Edwardsville road to permit operation of a wedding shop.

The aldermen then voted to override another denial for a change from C-1 to C-2 for property at 2324 Nameoki road for the operation of a used car lot and office. There were no objectors to the used car lot, but a number of objectors were present for the April 10 commission hearing on the wedding shop proposed by Vasil Tarpoft. The objectors were present Monday night for the council session.

The request for the C-2 designation for the used car lot was made by Andrew T. Kapoff and Walter Rozsicky.

A request for a beauty shop at a home at 2601 Center street was withdrawn, it was reported to the council by Alderman Fry, and the council approved a special use permit for Holsinger Agency to operate offices in a house at 2881 Madison avenue. The council consented with a ruling by the zoning appeals board for Robert Moore to place a garage two feet from his property line instead of the required seven feet at 2004 Indiana avenue.

Brother Decorated

Second Welser Becomes 'Copter Pilot, Officer

WO1 KURT WELSER

WO1 Kurt W. Welser, 20, became the second son of Mr. and Mrs. Lincoln Welser, 118 Springfield avenue, Mitchell, to become an Army warrant officer and helicopter pilot.

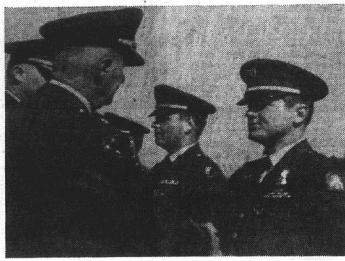

He was graduated in ceremonies held at Hunter Army air field, Savannah, Ga., where his brother, CW2 Reginald Welser, is an instructor pilot. Reginald Welser, 21, recently was decorated with the Army Commendation Medal for Heroism with "V" device for his action during a combat assault in Vietnam on Aug. 10, 1968. He previously was awarded a medal by the Korean government for action with his White Horse division with whom his unit was attached. He returned from Vietnam last October.

Attending the graduation ceremonies for the new officer were Mr. and Mrs. Welser and daughter, Inga, as well as the instructor and his wife.

Following the ceremonies and a tour of the facilities, a reception, dinner and dance was held for the graduating officers. At the end of his leave, Kurt Welser will be stationed at Fort Bragg, N.C.

The citation presented on April 2 to the Vietnam veteran reads in part:

"For exceptional valorous action while serving as aircraft commander of OH-1H helicopter during a combat assault. The mountain top landing zone was surrounded by trees and blanketed with logs and stumps. A fire started by gun ship bombardment dangerously obscured visibility, and high winds created serious control problems. The approach to the LZ was made and then skillfully touched down on the rocks to

unload the infantrymen. "After the first sortie the wind began gusting to 48 knots, thus making the helicopter flight extremely hazardous. Despite these conditions, 11 more sorties were made to insert the

soldiers through leaping flames and choking smoke. "His actions were in keeping with the highest traditions of the military service and reflect great credit upon himself, his unit and the U.S. Army."

\$600 Granted to SIU To Test Weed Controls

Ell Lilly and Co., Greenfield, Ind., has granted Southern Illinois University \$600 for research by Irvin Hillyer, SIU associate professor of plant industries, in cooperation with James Tweedy, assistant professor.

Hillyer says the company also will provide chemicals for the project to test the firm's experimental product, EL-179, as a weed controlling material for certain vegetable crops.

Janet Geiger Named As Student Historian

Janet Geiger, daughter of Mr. and Mrs. John Geiger, 1613 Lindell Blvd., has been chosen to receive a Student Historian of the Year Award for her article which appeared in "Illinois History" magazine this year. It was announced by the Illinois State Historical Society.

A junior at Granite City high school, she will receive a certificate of achievement at the society's Award Day on May 22. The certificate is to be presented by Gov. Ogilvie. GCHS will receive a duplicate of the certificate for display in the building.

Coolidge 7th Grader
Reaches Semi-Finals

Marianne Yevin, a Coolidge junior high school seventh grade student, was a successful quarter-final winner Saturday in the two-state annual spelling contest held in St. Louis.

The 12-year-old, who represented Coolidge JHS in the contest following an elimination match at the local school, will compete this Saturday in the semi-final round. A total of 22 contestants from various schools in the two state metropolitan area has now reached the semi-finals.

Marianne is the daughter of Mr. and Mrs. George Yevin, 2917 Grand avenue. Her instructor at Coolidge, Mrs. L. L. Lesse, and several other local teachers attended Saturday's spelling competition, the first area-wide contest in which the school has participated.

Alfred J. Wilson, principal at Emerson school, was among the judges in the spelling contest.

DEMOLAY SWEETHEART, Becky Thomason, crowned by Linda Fischer, retiring Sweetheart, at the public installation of officers by the James Stuart chapter. The attendants are Janet Stuart (left) and JoAnn Graklanoff. Standing are, left to right—Randy Fowler, master councilor; Bill Watson, scribe; Roger Miller, chaplain; and Dave Watkins, treasurer, who were escorts.

Security Assignments
Available in Army

Choice assignments with the U. S. Army Security Agency are now available for men who qualify, it was announced by Sgt. Morris L. Cook, local Army recruiter.

Eligible applicants may train in electronics, radio code, communications security, languages and other occupations.

Sgt. Cook said that in the electronic field a man is schooled in testing and performing repairs and maintenance on all types of electronic equipment. He receives instruction in electric fundamentals, circuitry and then moves on to advanced work in electronics.

Seven Receive Honors
At Eastern Illinois

Seven area students are among 589 attending Eastern Illinois University to receive academic honors for the winter quarter.

Receiving high honors were Margaret Reiderberger of Venice and Anna G. McCance and Kathleen Willis of Granite City. Given honors were Wendy De-
catur, Joyce E. Shepard, Tana Jean Stamps and Barbara J. Zimmer of Granite City.

A grade point average of between 3.75 and 4.0 is necessary for high honors and an average of between 3.40 and 3.74 for honors.

To Receive Honors

Patricia Marie Skubish, daughter of Mr. and Mrs. Stanley Skubish, 1018 Grand avenue, Madison, will be among those honored by the University of Illinois at the 45th annual Honors Day convocation on May 2 at the Urbana campus.

Mother's Day Events Set
May 2-3 at U. I. Campus

Mother's Day will be observed May 3 at the University of Illinois at Urbana-Champaign where the first observance of its kind was held in 1921.

The 1969 event promises to be the greatest ever, with the university's new Krannert Center for the Performing Arts in use and more activities for the honored guests.

Among these will be the 47th annual meeting of the mothers' own organization, the University of Illinois Mothers Association. David D. Henry, university president, will speak at the meeting to be held at 10 a.m. May 3 in the Illinois room of the Illinois Union.

Preceding the meeting at 8:30 a.m. in the Illinois Union south lounge will be a continental breakfast at which parents may informally meet leading campus administrators.

Among Mothers Association leaders, as chairman for Madison county, is Mrs. Lucille Caban, 1409 Rhodes street. The county chairmen will have their annual banquet May 2 with Chancellor J. W. Pellason speaking and will be hostesses at the May 3 meeting.

Events will begin May 2 with

the university's annual Honors Convocation at 1:30 p.m. in the Assembly hall, followed at 4:30 p.m. by military honors presentations in the Armory. The Philadelphia Orchestra will present a concert in the great hall of Krannert center that evening.

A full schedule of entertainment has been arranged under leadership of Illinois Union Student Activities.

**Piano Recital Friday
By Ruth Slenczynska**

Pianist Ruth Slenczynska, professor of music and artist-in-residence at SIU-SW, will give a recital Friday at 8:15 p.m. in the Communications Building theater.

The world-renowned piano virtuoso and recording artist has studied under Rachmaninoff, Arthur Schnabel and Nadia Boulanger. She has given more than 3000 concerts throughout the world.

The artist-in-residence recently completed a concert tour which included appearances in Augusta and Atlanta, Ga.; Raleigh, N. C.; Beroa, Ky.; and Williamsport, Pa. A child prodigy, Miss Slenczynska made her American musical debut when she was four and her Europe debut at the age of seven.

At her Friday evening performance, she will play Beethoven's "Sonata in F Major," Brahms' "Rhapsody in B Minor," Chopin's "Ballade in A-flat Major," Prokofiev's "Visions Fugitives" and Danse Russe from Stravinsky's "Petroushka."

The recital is open to the public; admission is free.

**Floristry Certificate

Boynton, whose home is in Streator, is a junior majoring in psychology at Southwest Baptist College, Bolivar, Mo., where his wife also is a junior. They now reside at Bolivar where Boynton is employed by a nursery.

**WSIE are Call Letters
For SIU-SW Radio**

The Federal Communications Commission has approved WSIE as call letters for Southern Illinois University Southwest's new frequency modulation radio station on the local campus.

Call letter designation followed approval of a construction permit for the station which was granted by the FCC Jan. 29, John R. Rider, director of Broadcasting Services, has said he hopes the station can be on the air sometime this fall.

**Army Reserves
Service Schools
For Enlistees**

Sgt. Morris L. Cook, local Army recruiter, today announced that persons being drafted into the Army no longer will have a chance of being assigned to a school.

They will be placed into the combat arms fields, meaning assignment to either the infantry, artillery or armor, he said. Education or test results will have no bearing on school assignments.

All schools have been given to local Army recruiters for their enlistees, he said, adding that anyone who enlists will be given their school guarantee in writing prior to enlistment.

Sgt. Cook further announced that for the first time individuals who do not have a high school diploma may be assigned to the schools if they can pass the required tests.

They also will be given their school guarantees in writing prior to enlisting.

Sgt. Cook may be contacted at the local Army recruiting office at 1340 Niedringhaus avenue or by phoning 876-9590 for an appointment.

**Capitol Flag Flies
At Coolidge School**

An American flag which flew over the Capitol building in Washington, D. C., on March 3 was presented to Coolidge junior high school in ceremonies Tuesday morning.

The flag, along with a certificate showing the date it was flown, was obtained by Patricia Schneider, an eighth grade student, who wrote a letter of request to U. S. Rep. Melvin Price in Washington.

It was determined that such flags are available during a discussion in the eighth grade block sociology-English class taught by Donald Laddake.

The flag was presented by the Schnefte girl and was accepted by S. J. Davis, superintendent, and James Dumont, principal.

Sandra White recited a reading on the importance of the flag, and Joe Wallace led the Pledge of Allegiance.

The flag was raised to half mast by a Boy Scout color guard led by Craig Tarpoft and composed of Joe Saucier, Daniel Heath and Donald Heath as students stood at attention in front of the school.

GCHS Grad Wins Bronze Tablet Honors at U. I.

Terence S. Murtaugh of Springfield, Pa., a graduate of Granite City high school, will receive University honors (Bronze Tablet) at the University of Illinois Honors Day Convocation May 2 at Urbana. He is a senior.

Twenty-five other GCHS graduates who have been on the dean's lists for all semesters since the last Convocation Day also will be honored at the same time.

Bronze Tablet students are those who have maintained a cumulative grade point average of 4.5 or better for all work taken at the U. of I. and rank on the basis of their cumulative averages, in the top three per cent of the students in their college who will graduate when they do.

Each year the names of the University Honors students are inscribed on a bronze tablet which is mounted permanently in the university library.

Also to receive Honors Day recognition are:

Leroy Edwin Gilbert, a senior, of 2181 Harrison avenue; James Alan Labanoski, a senior, of 2106 Nameoki road; Gerald Robert Walters, a senior, of 2106 Nameoki road.

Class Holds Auction To Aid Biafra Children

The fourth grade class of Mrs. Estelle Massie at Prohard school raised \$23.45 for the needy children of Biafra in an auction of comic books, jigsaw puzzles, costume jewelry and other items.

The 26 members of the class made arrangements this week through the Tri-City Chapter, American Red Cross, for the money to be forwarded to Biafra.

Mrs. Massie said the youngsters wanted a project and decided to provide the help to overseas children. The class is to receive a certificate for the classroom.

Auctioneers were Debra Griffin, Deborah Barnes, Lisa Steele, Jeff Hood, David Galina and Herbert Fowler, and the 50 pupils in the other two fourth grade rooms were ready customers.

Among the most popular items were the lots of three to six comic books that went for as much as 50 and 60 cents and baseball and football cards. Several purses also were among the items auctioned.

Medical, Pathology Aid Jobs are Open with VA

A new announcement for applicants for medical and pathology aides and technicians jobs has been issued by the federal government. The jobs are with Veterans Administration and military hospitals and laboratories in eastern Missouri and Madison and St. Clair counties in Illinois. Depending on the applicant's education and experience, starting salaries will range from \$4800 to \$6801 per year. Some immediate vacancies are available. Added information about the duties and requirements for these positions may be obtained from John T. Larkin, examiner-in-charge, at the East St. Louis Post Office, or the Federal Job Information Center, 1230 Market street, St. Louis, Mo., 63103.

\$40,000 Car Wash, Another Vote Tuesday—For Senator

A building permit for a \$40,000 car wash and store to be located at 2524-26 Nameoki road was issued to Harold Major, current records show at the city hall in Granite City. The site is at the old Na-Bor-Hood Liquor store.

The permit was one of 15 issued last week, listing values of \$60,439. So far this month 37 permits were issued with values totaling \$106,154.

Permits for other purposes were obtained by: Arley Morgan, 2212 Charles street, a mobile home, \$2500; Walter Vanovic, 2913 Dogwood drive, a room and bath addition, \$3000; Mrs. Esther Wiseman, tuckpointing and brick work on the Wiesman building, 1231 Niedringhaus avenue, \$1000; Roy Baumberger, 2418 Woodlawn avenue, a garage, \$1900; Emmett Williams, 2030 Bryan avenue, a garage, \$500; Clarence McCoy, 2514 West 24th street, a garage, \$200; Robert Wallace, 2341 Delta avenue, a garage, \$900.

John Vrabec, 1205 Meridian street, place roof on porch, \$73; Otis Venable, 2000 Thirteenth street, change flat roof to gabled roof, \$1464; Paul Petrowski, 2223 State street, enclose back porch, \$200.

Andrew Gasparovic Jr., 2150 Edison avenue, remove the porch roof and repair the front of the home, \$1000; Gerald Rainwater, enclose patio at 27th and Benton streets, \$1000; Robert Riggs, 2028 Lindell blvd., enclose carport and install aluminum siding, \$2800; and Marion Weiss, 2554 Washington avenue, install aluminum siding, \$1900.

In addition, permits were issued to First Granite City Savings & Loan Association to raze a six-room house at 2445 Lincoln avenue, \$800, and to James R. Meyers, 2141 East 24th street, to raze a garage.

A senator of the 53rd Illinois Senatorial district—an area of ten Madison county townships that includes the Quad-Cities—will be elected Tuesday in a special election in 144 polling places within the district.

Choice of the voters lie between Harry Briggs, supervisor of Nameoki township as the Democratic candidate, and Dr. Merrill Ottwein, an Edwardsville veterinarian, the Republican candidate.

The two candidates were chosen in a special primary election March 11 in which Briggs defeated four other candidates on the Democratic ballot and Ottwein won out in a two-way race on the GOP ballot.

Tuesday's balloting will be the last in a series of six elections during the first four months of this year. The senatorial primary in March, and next Tuesday's senatorial runoff are the only partisan elections conducted strictly along party lines.

Voted in 5 Elections
Voters already have gone to the polls this year in the Feb. 11 Granite City mayoralty primary, the March 11 senatorial primary, the April 1 township, park and Granite City municipal elections, a series of school elections on April 12 and the April 15 city elections in Madison, Venice and Pontoon Beach.

Polling places will be open Tuesday at 6 a.m. in all 144 precincts of the 53rd senatorial district, and will close at 6 p.m. Tabulation of the votes will be reported to the office of County Clerk Eulalia Hotz.

The district includes Granite City, Nameoki, Venice and a Chouteau township in the Quad-City area, along with the townships of Alton, Godfrey, Wood River, Edwardsville, Pin Oak and Jarvis. While these are less than half of the county's total of 24 townships, they account for 144 of the county's total of 186 voting precincts.

Term Expires in 1970
The victor in Tuesday's special election will fill a vacancy created by the election last November of former State Senator Paul Simon of Troy as Illinois lieutenant-governor. Simon resigned the senator post last January just before taking over the state office.

The new senator will serve for little more than a year. Illinois senatorial terms expire next year, subject to nomination in a primary election in June 1970, and to election in November 1970.

The special senatorial primary and runoff elections were called by former Illinois Governor Samuel Shapiro following Simon's election in the November general elections. Cost of the elections has been estimated at \$75,000. The cost will be borne by the state.

HARRY BRIGGS

Harry Briggs, 48, of 3625 Lake Drive, is the Democratic candidate for election as senator of the 53rd Senatorial District in Tuesday's special election.

Briggs was nominated as the Democratic candidate from a field of five Democrats which ran for the nomination in a special primary last March 11.

He is now serving his fourth consecutive term as supervisor of Nameoki township and has been a resident of the Quad-City area for 45 years. He was born in Tulsa, Okla. He is a graduate of Granite City high school.

Briggs is a member of Triple Lodge 835 A.F.A.M., Scottish Rites Bodies, Ainal Temple, Granite City Shrine Club and the Elks and Moose Lodges. He operates his own business, dealing in restaurant supplies.

He is married and he and his wife, Pauline, have four children, Susan, Harry Jr., Ronald and Mike.

As a member of the county board of supervisors, Briggs has served as chairman of the Legislative committee for ten years.

He said he is seeking election to the senatorial post because he feels qualified for the office due to his experience. His objectives include preservation of home government, legislative action to aid the lot of senior citizens and to help pass good legislation and defeat bad legislation.

SS Number a 'Must' For Drivers License

It's a "must" that the social security number be shown on a driver's license application, Secretary of State Paul Powell said at Springfield today.

Powell's office said that from 800 to 1000 applications are returned daily by applicants because they omit the social security number, resulting in delays, additional postage costs and more manhours for processing.

The law now requires that the social security number be shown on the driver's license application, Powell said, making it impossible for his office to legally accept applications that do not include the information. Persons who do not have a number should go to the nearest social security office and request that a number be assigned, he said.

MERRILL OTTWEIN

Merrill Ottwein, 39, of Rural Route Four, Edwardsville, is the Republican candidate for election as senator of the 53rd Senatorial District in Tuesday's special election.

Ottwein has been a veterinarian for ten years and now is a staff member of the Hawthorne Animal Hospital at Edwardsville.

He attended McCray Dewey high school in Troy where he was valedictorian of his graduating class in 1956 and did additional graduate work in agricultural economics in 1958. He is a member of various scholastic and activity honoraries, including Phi Kappa Phi.

Ottwein is a past president of the University of Illinois College of Veterinary Medicine Alumni Association and a past member of the advisory committee for the College of Veterinary Medicine at the U. of Illinois.

He also is president of the Lakewood Development, Inc., a real estate development, and a member of the board of directors of the First Federal Savings & Loan at Edwardsville.

He is a member of the Eden United Church of Christ at Edwardsville, a past member and past president of the Church Council; a member of the Church and Ministry committee of the Southern Illinois Conference of the United Church of Christ.

During 1967, Ottwein was director of "Dianoma," an agricultural and community development program of the National Council of Churches in Honduras, Central America, where he and his family lived for a year. He also is a member of the Edwardsville Rotary Club, a former member of the Chamber of Commerce board of directors and is active in other community and civic affairs.

CWO Lopez Assigned To Pleiku on 2nd Tour
Chief Warrant Officer Michael Lopez recently arrived in Vietnam and has been assigned to the 361st Aviation Company (Escort), at Pleiku in the Central Highlands region, about 30 miles from the Cambodian border.

The helicopter pilot who is starting his second combat tour in Vietnam was staff photographer for the Press-Record until he enlisted in the U. S. Army flight training program in October 1965. He is the son of Mr. and Mrs. Stephen J. Lopez, 25 Hampton drive, Glen Carbon, formerly of Venice.

CWO Lopez writes that his quarters are not the best, but they are a little better than the tents we had last time over here. The monsoon's should start here very shortly so we don't anticipate flying too much then. . . . The unit is completely equipped with co-bras and we have the commitment to react to any situation within the II Corps Area, which includes about 40% of the land mass in Vietnam.

Friends may write the serviceman at:

Council Tables Law to Limit Parking at Meters

Tabled by Granite City council members Monday night was an ordinance to limit parking at downtown parking meters to two hours.

The proposed ordinance pertained to all 600 meters, but there was an indication by proponents of the new limit that the proposal would be resubmitted to restrict the two-hour limit for meters in the core area of 10th street and the 1000 blocks of Delmar and Edison avenues and State street.

With the two-hour limit, a motorist would be required to move his auto after a two-hour period of parking. The request was made by the downtown merchants who noted that store employees, office workers and businessmen often park their cars all day on the downtown streets, "feeding the meters."

When called upon by the council, Police Chief Vetter said it would be impossible with the present two-man meter crew to enforce the two-hour restriction throughout the metered area.

Alderman Whitmer pointed out the enforcement could be restricted to the core area of the business district with the stenciling of the meters where the two-hour limit would be enforced. Other council members favored tabling and suggested the ordinance be revised.

Four Hubs, 2000

Harold Harper, 2325 Edison avenue, reported at 2:05 p.m. Monday that a thief took four hubcaps and two windshield wipers from his auto while it was parked at his home during the night. The radio aerial was bent.

Local Couple Enters St. Bernard in Show

Area owners of St. Bernard dogs are invited to enter their animals in the "A" Match Championship Show, sponsored by the St. Bernard Dog Club of Greater St. Louis on Sunday, May 11, at Tilles Park, Litzinger and McKnight roads, St. Louis county.

Among those entering pets are Charles and Audrey Gromer, 2217 Monroe street, whose four-year-old St. Bernard—Captain Jack's Spitting Image—captured fourth place honors in his class last year. Mrs. Gromer also will show another St. Bernard—Wendy Jo Von Basko—owned by her sister, Miss Shirley Eudy of Glenoco, Mo.

KC registered dogs, or puppies eligible for registration may be entered in the show which is open to the public. Judging starts promptly at 1 p.m. the day of the event. Entries will be accepted, until May 3 by Robert Bogen, 409 Lone Oak drive, Rock Hill, Mo. 63119, Mrs. Gromer said.

Price Chairman As House Debates School Aid

Debate on impacted area and elementary and secondary education legislation opened in the House of Representatives this week. Consideration of the bill is being presided over by Cong. Melvin Price, Democrat, 24th Illinois District, as chairman.

Price has presided over consideration of the measure since the program was first approved by the House in 1965.

Considerable floor debate is expected on the bill, and numerous amendments are anticipated. The House Education and Labor Committee reported the bill by a 21-13 vote along straight party lines. The major questions is a five-year vs. a two-year extension of the program.

Rep. Price in remarks prepared for House debate favored five-year authorization. Present-day practices, he said, work against "our educators in their efforts to plan effectively on a long-range basis."

Anti-Rabies Clinic To Be Held Saturday

An anti-rabies clinic will be held from 1 to 3 p.m. Saturday in the Madison city garage under the sponsorship of the cities of Madison and Venice.

The clinic will be directed by Dr. Leland Holt and Dr. Larry Tadlock, Granite City veterinarians. The fee will be \$3. Licenses for dogs and other pets are due May 1. A similar clinic will be held last Saturday at the Venice city garage.

was praised by Price. Under present arrangements with the public housing program, the federal government reimburses a school district in lieu of taxes. But, Price said, "the federal payment averages only \$11 per child per school year."

Inner-city school districts in particular, he said, "are hurt by this policy. They are faced with the dilemma of providing services to those most in need, but receive little support for their efforts."

Price warned that "the new impact program should not operate at the expense of existing impact programs." The remedy, he said, "is to provide adequate funds for our human resource efforts."

Stressing a theme of "ordering our national priorities," the senior House Armed Services Committee member declared, "If we can afford \$80 billion for defense, we can surely afford to invest adequate funds in our education program."

Briggs Charges GOP Failing in Economy Pledge

Gov. Richard Ogilvie's April 1 budget message calling for a 4% income tax "was the biggest April Fool's joke in the history of the state of Illinois," Harry Briggs, Democratic candidate for senator of the 33rd Senatorial district has charged in a radio address during his campaign for election in the special April 29 senatorial balloting.

Briggs said: "My Republican opponent is on the same team as the Republican governor of Illinois. That Republican governor, Richard Ogilvie, on April 1 delivered the biggest April Fool's joke in the history of the state of Illinois, when he announced his budget."

"I want to tell you more about some of the other taxes asked for by this Republican administration. You're going to have to pay another three cents a pack for cigarettes, and your tax on any beer or liquor you buy will be upped by 33 1/3% over past years."

"You know and I know that in our area we face serious economic competition from merchants across the river in Missouri. Yes, the Republican party and my opponent show no concern for the merchants of this state senatorial district."

"They pass laws which will make it easier for people to go across the river to Missouri for their shopping, thereby depriving merchants in our area of much-needed income from sales."

"When you go to the polls April 29, I ask you to vote for me, because I am a man who will protect your paycheck. I am not bound to follow the governor's recommendations to impose upon the people of Illinois a \$4.4 billion budget, a budget higher than any before ever asked for in Illinois—a budget that will hit the middle-income earner and the low-income earner alike, a budget that will deliver the strongest blow in the way of taxation that has ever been delivered to taxpayers of this state."

"There will be a 5% sales tax on amusements. Amusements cover not only football and basketball games, but baseball games, admissions to dances and other social events, but this 5% tax will also be imposed upon such things as bowling."

"An additional 5% tax will be imposed on automobile and TV repairs, which you may have to have done."

"You were promised economy by the Republicans in the November election. Some of you believed them and voted Republican. Now my opponent wants you to vote for him."

"I ask only that you remember the promises of economy which were made by other Republicans in November 1968. They promised you a economy and gave you the biggest budget in the state's history and the heaviest load of taxation ever to be proposed upon the citizens of this state."

"They promise economy, but they tax, tax, tax and spend, spend, spend. The budget for the governor's office alone is up 300% over what it was last year; yet, my opponent would have you believe that his is the party of economy."

"You have been fooled long enough. The only true friend of the wage-earner in this state and in this senate district is the Democratic party."

"I know that you will remember that Harry Briggs is your friend, your Democratic friend, in the state Senate election April 29."

Open House Set Sunday At Alton State Hospital

Special interest programs and educational features have been scheduled by the three units of Alton State Hospital for their annual open house program, on Sunday from 1 to 4 p.m.

Among the various programs offered by the Madison County Unit, a 15-minute movie entitled, "On the Road to Recovery," will be shown. Other programs are: tours of the wards; demonstrations of group therapy; good grooming sessions; community displays; and arts and crafts.

A special feature is a two-room display entitled "A Different View of Life," depicting

among other things, the case history of the schizophrenic Linden Cottage, of the St. Clair-Monroe Unit, host a mock trial, which will be staged by attorneys from the St. Clair County Bar Association.

The demonstration has been planned as an educational program for citizens in explaining admission procedures. In this mock trial, which will be presented 3 and 4 p.m.; the admission of an emergency patient will be represented, who requested a trial by representation and jury.

The Eastern Counties Unit, which serve 14 rural counties will have various crafts on display throughout each ward.

that were completed during the year. They will include embroidered quilts and dolls dressed to depict every state, by geriatric patients. Because of strokes, many of them have suffered some form of paralysis. However, they have made strides forward by working in the occupational therapy shop, and completing the above projects, Dr. Abraham Simon, superintendent, pointed out.

Community groups will also have displays in the Eastern Counties Unit, as they have been instrumental in helping staff of the hospital set up a program of after care, in the Salem area, for former patients.

The new Medical-Surgical building will be open for tours, and service displays will be placed in the main lobby. The hospital serves the physical ill of all patients at Alton State.

Other supportive services which have planned a program and tours for visitors, include the following: Patient's Library and Lounge; Volunteer Services; Chaplains displays at each ward; Power House and Fire House.

Facilities within the Department of Mental Health observe National Mental Health Week by hosting an annual open house program.

Pfc Terry Davis in Vietnam after R & R

Pfc Terry M. Davis, son of Mr. and Mrs. William Davis, 3240 Aubrey avenue, has returned to his unit with the Mech. Div. of the U. S. Army in Vietnam, after a two-week Rest and Recreation leave, in Hong Kong.

While on leave he called his parents by telephone on April 11 and April 13. A 1968 graduate of Granite City high school he enlisted in the Army for two years immediately following graduation.

'Round Robin' Chess Tourney Set at YMCA

The Tri-City Area YMCA Adult Chess Club has announced a round robin tournament is under way to rate players and to organize a team which will

play matches against industrial, high school, college and YMCA Chess Clubs in the area.

Contestants in the tournament will be given three to four weeks to finish their matches, which will consist of two games. The matches are at the "V" every Tuesday and Thursday evening from 7 to 11 p.m.

All adult and high school chess players are welcome to attend and if interested in the round robin tournament, registration will be accepted as early as April 24.

Registration Deadline For Day Camp Is May 1

District Four of the River Bluffs Girl Scout Council has scheduled three weeks of day camping at Camp Lakota beginning June 9, 10 and 23 for Neighborhood 1, 2, 3, 4 and 5 scouts, with Mrs. Fryntko, as camp director and Mrs. Diane Hessel as assistant day camp counselor.

The camping experience has been extended to include first-year Brownies this year. Leaders from all neighborhoods have been discussing and distributing camping booklets to inform the parents of the overall program.

Reservations must be given to the district chairman, Mrs. Doris Votaw, 2705 Angela drive, by next Thursday, May 1.

Camp workers are needed for the three weekly sessions and anyone interested may call Mrs. Fryntko at 451-7548 or Mrs. Hessel at 877-4187.

A training course for unit leaders and assistants is being held at Nameoki Methodist

Church, Pontoon road and Murock avenue, today from 10 a.m. to 2 p.m.

On May 13 and 27, training sessions will be offered at Camp Lakota. May 13 will be an outdoor skill day and will include lashing, knot tying, firebuilding and cooking, while May 27 will be a summary of the previous sessions and a general planning program.

Madison Avenue Crash
A collision in front of 1330 Madison avenue resulted in damage to autos driven by Rudolph K. Muzzarelli, 1800 State street, and Floyd C. Childers, 1329 Madison avenue, about 9:50 a.m. Tuesday. Madison police said Childers, headed south on Madison avenue, slowed to park and was struck from the rear by Muzzarelli's car.

Youth Caught After False Fire Alarm

A 16-year-old Venice boy was arrested by Venice police Monday night on a charge of turning in a false fire alarm. The youth and two others picked up by police at Garrett's Drug store were questioned in connection with a series of recent false fire and police calls, authorities said.

The boy admitted turning in a false fire alarm by telephone about 8:55 p.m. Monday, shortly before he was apprehended by police, but denied any connection with a false police call to a gang fight at 8 p.m. and a false alarm to the Madison fire department at 8:10 p.m.

Venice officers said that as they heard a radio call on a fire alarm to Fletcher's pool hall, they drove by Garrett's Drug store where they saw a boy in the phone booth outside the store. When the boy saw police, he laid down the phone and ran inside the store.

A second boy was seen to pick up the phone, and then hang it up. He also went into the drug store where both youths were picked up by officers, taken to headquarters and questioned. They named the 16-year-old boy who was brought in with his father. Police said juvenile charges will be filed against him. The other two boys were booked as witnesses.

Collide in Venice
Cars driven by Sylvester Zarlingo, 2850 Idaho avenue, and Robert Redd, Alton, were damaged Monday in a collision at Broadway and State street in Venice. Police said Zarlingo stopped for the traffic sign at Broadway and was struck from the rear by Redd's car.

Heroism in Vietnam

Commendation Medal For Arthur Fields of Venice

Arthur P. Fields Jr., 24, of 1301 Klein street, Venice, has been awarded the Army Commendation Medal with a "V" for heroism in a military operation against a hostile force in Vietnam, it was learned this week.

Fields, who also received a Purple Heart Medal as a result of wounds sustained in the engagement, was serving with Co. A, 2nd Battalion (Mechanized) of the 2nd Infantry at the time of the operation on Feb. 2, 1968.

Fields, now attending Southern Illinois University-Southern campus, held the rating of Specialist Four at the time of his overseas duty. He is married to the former Gloria Ponce, and is the son of Mrs. Patricia Fields, 213 Abbott street, Venice, and the late Pete Fields.

The citation accompanying the medal "read in part—'On the night of Feb. 2, 1968, Fields was serving as a rifleman with his platoon during a reconnaissance in force operation with an infantry unit.'

'At approximately 0930 hours, as the force neared the location of a suspected enemy base camp near highway 245, it became subjected to intense automatic weapons and rocket fire from a company size Viet Cong unit.'

'Spec. Fields was wounded when one of the initial hostile rounds struck the armored personnel carrier that he was riding. Although suffering from head and body wounds, he immediately dismounted the disabled vehicle and assumed a good defensive position.'

'He placed rapid and accurate fire on the insurgents' locations, thus providing protective fire for the seriously wounded men who remained on the vehicle.'

'Only after his wounded comrades had been evacuated, did he withdraw in order to receive medical attention.'

'His courage and perseverance significantly contributed toward the successful outcome of the encounter.'

Roger Summers Wins Special Recognition

Roger Summers, a former Granite Cityan and local high school teacher now employed as a Procter & Gamble sales manager in Houston, has been named to appear in the 1969 edition of "Outstanding Young Men of America." It was announced this week by Richard A. Resco of Nicholls State College, La., administrative staff.

Summers, one of nine Nicholls alumni selected to receive the honor, will be recognized at the annual Nicholls Alumni Federation banquet on Saturday. A total of 5000 young men has been named to appear this year in the nationwide biographical compilation. Nominations for the awards publication are made by Jaycee chapters, college alumni associations and military commanders.

Criteria for selection includes a man's service to others, professional excellence, business advancement, charitable activities, and civic and professional recognition. The men honored are all between the ages of 21 and 35 years.

The former Granite City resident was graduated in 1962 from Nicholls State College at Thibodaux, La., after studying two years at the University of Missouri. He taught at Granite City high school for two years before joining Procter & Gamble in 1964.

Destroy School Property

Vandals who broke into the Venice school gymnasium used a razor blade to slash and destroy a sofa and an upholstered chair, as well as scenery for a class play, Venice police reported at 1:40 p.m. Monday. No signs of forced entry could be found, officers said. A razor blade was found by the damaged articles.

GRANITE CITY DODGE INC.

1911 Madison Ave. - Granite City, Ill.

50 YEARS AGO

APRIL 24, 1919

George W. Niedringhaus was elected president of the National Enameling & Stamping Co. He had been vice-president and general manager of the Granite City Steel Works.

Henry F. Niedringhaus is expected to succeed him as plant manager. The firm is a \$40 million corporation and practically controls the enamelware industry in the U. S.

In addition to the Steel Works and Rolling Mill and the Stamping Works here, it operates a rolling mill in St. Louis and has factories in Milwaukee, Laurel Hill, Long Island, New Orleans and two in Baltimore, with warehouses in Philadelphia, Chicago and San Francisco. The home offices are in New York.

Jacob Wachter and G. Willard were elected to the St. Thomas school board.

III. Schools Spend 9% Above U. S.

(Taxpayers' Federation of Illinois)

Illinois' estimated \$742 current expenditure per pupil in average daily attendance for the 1968-69 school year is \$2.96 or 9% higher than the U. S. average of \$680 per pupil.

These estimates, made by the National Education Association Research Division, show that per pupil estimated spending makes New York the leader with \$1140 per pupil in average daily attendance.

The state of New Jersey is next with \$933, followed by the District of Columbia with \$886, Connecticut \$826, Oregon \$793, Wisconsin \$787, Maryland \$778, Rhode Island \$756, and Pennsylvania \$743 and Illinois \$742.

The National Education Association includes the following costs in determining such per pupil estimates: amounts paid for general control, instructional service, operation, maintenance, fixed charges, and all other school services at all levels of administration—State, intermediate and basic local. Also included are govern-

mental contributions to the current expenditure and expenditures for school services, including attendance, health services, transportation, food services and others.

Six states are each presently educating in excess of two million students in average daily attendance, and these six states and their 1968-69 estimated per pupil spending are as follows:

New York.....\$1,140

Pennsylvania.....\$743

Illinois.....\$742

California.....\$697

Ohio.....\$684

Texas.....\$680

California.....\$1,300

Rhode Island.....\$756

Illinois.....\$742

When compared with the five states ranking below New York, Illinois' estimated current expenditure of \$742 per pupil in average daily attendance ranks favorably.

Industrial Development Legislation

(Springfield Scene)

Senate Bill 931 proposes \$1 million for matching state grants to industrial development agencies designated by local governmental units.

House Bills 1913-1923 deal with "truth in lending."

The House has passed H. 419 calling for a Credit Reporting Investigating Commission.

Gov. Ogilvie signed into law S. 55 authorizing daily observation of a period of silence in public school classrooms, and S. 228 creating a budget bureau under his office.

H. 1501-1502 would ban use of lead based paint in multiple dwellings and include "drip warning" on lead based paint cans.

S. 805-815 by President Pro Tem Arrington call for auto insurance payments

for basic economic loss in accidents on a no-fault basis; right of recovery under the fault system to be preserved, but claim settlements streamlined; ending of obvious inequities in the present liability system; open competition within the insurance industry in setting rates; and a ban on policy riders which provide for a flexible payment of premium, fraud or suspension of a driving license.

S. 123 boosting allowable mortgage interest from 7% to 9% still awaits two more supporters in the Senate. S. 872 is similar but provides for a flexible interest rate 3% above the federal established rate. Purpose is to permit lending institutions to issue FHA and VA mortgages without interruption.

Ogilvie Budget: Some Changes Needed

Governor Richard Ogilvie has told the people the harsh facts of the revenue picture and has made his recommendations—some of them good, some not so good.

The most controversial aspect of his message is his call for a four per cent income tax for individuals and corporations. Forty-one states have a corporate income tax. Only thirty-eight states have an individual income tax. In only one other state is the tax the same on individuals as corporations.

Perhaps as significant as anything, he calls for a state income tax with no reduction in other taxes. Let me suggest a modification in the Ogilvie proposals which would give some relief to people paying heavy taxes in the present tax picture:

1. Apply a tax of 3 per cent on individuals and 5.5 per cent on corporations. This would follow the pattern of other states.

2. As of January 1, 1970, remove the sales tax on food. I won't go into the complexities of how this can be done, but it can be. I'll be pleased to answer this question by mail in detail to anyone who writes me.

3. Eliminate the corporation franchise tax, since corporations are paying their fair share under this proposal.

4. Apply a credit of 50 per cent on the income tax for the first \$100 of real estate and personal property tax paid. On the next \$200 paid, 25 per cent could be credited. Those who pay the real estate and personal property taxes but do not have the income—and many senior citizens and large families would fall in this category—would receive a refund up to 50% on the first \$100 paid and 25% on the next \$200. This would provide real relief to the person paying property and personal property taxes.

What are the mathematics of this? In millions of dollars, this is the way it works out:

1. 3% on individuals, 5.5% on corporations.....\$1,468

2. As of January 1, 1970, eliminate the sales tax on food.....-83

3. Eliminate corporate franchise tax as proposed.....-49

4. Credit and refund on real estate and personal property taxes.....-180

TOTAL.....\$1,156

Subtract from that the \$135 million which the governor proposes to give to local governments and the total is \$1,021,000,000.

This is \$81 million higher than the governor's estimate of revenue need, and in no place it would be more than \$1. The \$81 million could be used to reduce other taxes or to give more assistance to schools.

If you like this idea, let your legislators and the governor know.

Both Senate Candidates Capable; Otwellin Could Serve More Effectively in 1969-70

The special election April 29 to choose a new state senator from the 37th district, Dr. Merrill Otwellin of the GOP, an Edwardsville veterinarian, and Harry A. Briggs of the Democratic party, Nameoki township supervisor and a salesman.

The 37th Senatorial District consists of most of Madison county, omitting Collinsville and part of the northeastern rural area of the county. It is normally Democratic, making Briggs the favorite.

Aside from the fact that Republicans are in the minority in the district, Dr. Otwellin's party affiliation can be regarded as a considerable asset. The Illinois Senate consists of 37 Republicans and 19 Democrats, not counting the seat vacated by Paul Simon, Democrat, after his election as lieutenant governor of the state.

The GOP, which also controls the House of Representatives, would value a 2-1 margin in the Senate and there seems little doubt that its hierarchy would be more receptive in 1969-70 to the proposals of a freshman Republican senator rather than a freshman Democrat, even a Democrat as skilled politically as Mr. Briggs.

Thus, Dr. Otwellin would have an opportunity to serve effectively with the start of the unexpired term, which includes the last two months of the current six-month General Assembly session.

His opponent might have to wait years to gain much influence in the Senate, although presumably he could expect some help from Senator Alan Dixon of St. Clair county, minority whip.

Dr. Otwellin has personal qualities which enabled him to sweep the primary with ease and which could also prove helpful in his contacts with other senators and with the public. He has the ability for the post if not the direct experience.

For these reasons, we favor Dr. Otwellin in the Senate race despite the much more extensive governmental service of the Democratic nominee.

Retirement—the time of life when we stop lying about our age and start lying about the house.

Warning: Assembly Watching Might

Beware Hazardous To Your Nerves

As Quad-Cityans watch and wait and hope that the Illinois legislature will be able to work out appropriate—and matching—levels of state income and spending, their interest and concern are increased by the fact that there are so many pending projects of importance to this region.

Airport development, creation of a Horse-shoe Lake park, hillside and below-the-bluffs drainage, highway improvements and progress in expanding services of the state university among the issues not yet resolved. All carry a big price tag.

The state frequently in the past has authorized more than it has financed, leaving it up to various governors to invoke "freezes" that usually never thawed.

Comments in 1969 make it clear that the General Assembly again will see its programs cut back sharply, probably through vetoes, if it fails to deal realistically with the state's problems.

Quad-Cityans also turn to the desire to see public improvements carried out and the wish to see governmental spending remain at least on a level with the needs of the region can be achieved. But this possible conflict is going to make Assembly watching more than a bit nerve-wracking this spring.

The actuality of the present seldom looks as good as the theory of the past.

Money refuses to talk; it just goes without saying.

Voting Not Enough—Citizens Need to Join Groups, Observe Meetings

(Granite City Long-Range Plan)

The list of tools used in implementing long-range development planning includes community action.

Example of community action includes:

Participation in Local Government.

Voting by the citizens of a community is not enough. They may not serve on committees, participate in local civic organizations, or attend meetings of local governing bodies.

In addition, their assistance should be given to the city park board, town board, levee district, etc.

In these ways, citizens can help to shape the future of their community.

Establishment of Neighborhood Improvement Associations.

These associations could be large a problem for the citizens to effectively understand at one time. Instead, their assistance should be programmed through a system of smaller neighborhood improvement associations.

These associations could be effective in implementing the long-range plan in their particular area.

In addition, they could sponsor neighborhood clean-up, fire-up, paint-up campaigns, recreation projects and community education programs.

The associations can also serve as "watchdogs" to insure the enforcement of city ordinances within their neighborhoods.

Each association should help carry out the community plan for its area and should serve

Many outside agencies can help directly, by making gifts or grants, or giving advice.

They can help indirectly, too, by bringing with them new ideas that can stimulate residents to greater accomplishment.

Therefore, no outside resource should be overlooked. A partial list of the outside resources available is as follows:

1. Federal and state agencies.

2. Educational institutions.

3. Endowed foundations.

4. National industrial, commercial and labor organizations.

5. Professional associations.

6. Special-purpose institutions.

7. Private groups, both profit and nonprofit, should be drawn heavily into the action variety.

8. The centers of implementation should be reasonably small in size.

25 YEARS AGO

APRIL 24, 1944

High school boys and girls totaling 250 braved a record deluge to compete in district music judging here, with some litigation to the contrary. When autos stalled in high water on adjacent streets, they removed shoes and stockings and continued on foot through the downpour.

With the Mississippi River already high and more rain predicted, a crest of 37 feet is expected. But the levee is expected to remain slightly below that of last year, when flood dangers were successfully fought. However, the Coast Guard and Granite City Police have been alerted. The Coast Guard has been alerted. The Coast Guard has been alerted.

Harry Cook was elected president of the Madison Rotary club, with Alderman Elmer Noonan as vice-president, Traffic Co. treasurer, Frank J. Fijan secretary, Chris Louis sergeant-at-arms and Henry Connors, Rev. Phil Fink and George I. Wilkins, directors. E. A. Friedman, A. E. Castellani, Rev. Dan Moore, Rev. Walter Proniewicz, Noonan and Rev. Fink will represent the club at the annual district conference at Jacksonville.

SIMPKINS' VOCALISTS JOYFUL AND SKILLED

To the Editor:

As a new resident of Granite City I want to tell you that last week's High School Choral Concert made me proud indeed to be here.

I hope every parent realizes the opportunity to come under the direction of such a superlative musician as Warren Simpkins is very rare.

The level of choral singing we heard last Thursday is rarely matched in the best college choirs. These boys and girls had clearly worked hard and long to achieve the precision, blend and instant response to their conductor.

And when I liked almost best was that the evening permeated with joy—singers and audience alike. For an hour or two lifted out of the humdrum day-to-day shuffle and discovered the joy of live music.

Everyone in Granite City is now aware of the recent harassments and beating suffered by Warren Simpkins. We are all shocked and appalled that such things could happen to one of our teachers.

But let me say that never have I seen

FIRST PAYMENT ON PLEDGE to the St. Elizabeth Hospital development fund by the Hospital Ladies Auxiliary is shown being presented Friday to Sister Mary Frances by Mrs. Helen Bergfield, chairman of the Auxiliary.

Council Oks Depot Display; Crane in Street at Hospital

Authorization for the Granite City Army Depot to place seven pieces of equipment on city property between the fire station and post office for observation of Armed Forces Week May 11-18 was given Monday night by Granite City council members.

The display will be set up in the 2300 block of Madison avenue for public viewing and servicemen will explain use of the heavy equipment. A request from S. M. Wilson & Co. to block off the 2100 block of Iowa street for operation of a large crane to erect structural steel for the St. Elizabeth Hospital expansion was approved. The crane is to be moved in within three weeks and will be in operation about six weeks.

In other action, the council gave permission for a revival tent at 2033 Johnson road on Sept. 1, requested by Rev. Fred Latch of the Mt. Zion General Baptist Church.

John P. Schmacker of Granite City Dodge agency was given permission to conduct an auction on Friday evening to sell one automobile. Alderman Nomm's request that the city waive its \$30 auction license fee in favor of added sales tax revenue was approved.

Also authorized were American Legion Memorial Poppy Days to be conducted by Auxiliary Unit 113 on May 22-24 with Mrs. Alma Klaus as chairman, and for the United Cerebral Palsy agency to conduct a door-to-door fund-raising drive and census of handicapped May 22-26.

Excavation permits were authorized for Southwestern Bell Telephone Co. and East St. Louis & Interurban Water Co. The telephone company is to install a cable along O'Hara avenue between Erin drive and Maryville road to serve the new Georgetown Apartments at St. Clair avenue and Maryville road where seven four-unit apartment houses are to be erected.

The water company plans to relocate a fire hydrant and enlarge a connection at Nameoki road and Pershing avenue where a new Jiffy Car Wash and service station are to be located, and to relocate a damaged hydrant at 17th and State streets, placing it on a larger 12-inch main. The hydrant has been knocked over several times by trucks.

Also for the new car wash, the council approved four driveways—two on Pershing avenue and two on Nameoki road.

Placed on file was notification of a workshop June 3 in Belleville to be conducted by the Division of Local Government Affairs and Property Taxes of the state Department of Revenue on a new manual for cities to aid with budgets. It was suggested the comptroller, treasurer, mayor and chairman of the new Finance committee to attend.

Jury Rules for City
The city was advised by the law firm of Chapman, Strawn & Kinder that a jury had ruled in favor of the city in a traffic accident injury suit filed by Martha Hammel and Carole Boyer. Expenses in connection

with the suit—\$500 attorney fee and \$178 for expenses—were approved.

Referred to City Atty. Scroggins was a letter from Robert W. Cooper, 751 Twenty-seventh street, who damaged his auto when he ran over a section of curbing in the middle of the street on 24th street between State street and Madison avenue. He set the damage at \$87 to the exhaust system.

Also referred to Scroggins was a bill for \$157 from Joseph Postar, who said a street department sidewalk repair crew broke a window at his building at 1904 State street.

At the request of Alderman Robertson, the inspection department is to look into complaints concerning a garage at West Pontoon road and Rodd avenue, and the city attorney is to proceed with court clearance for award of a contract to raze a structure at West 23rd street and Bryan avenue.

Clarification of the city fence law was given by City Inspector Jack Fricker at the request of Alderman Boyd, who said a family in the 2300 block of Iowa street was ordered to remove a 42-inch high fence in front of the home. Fricker said the city law specifies of limit of 36 inches for fences in front of homes. Side fencing can be as high as 54 inches.

Seniority Roll Call For GC Council

A return to seniority roll calls will be instituted after May 1 by Granite City council members.

With a resolution adopted Monday night, City Clerk Penelton will prepare the roll call charts by seniority, and if there are duplicate dates, by wards. The roll call has been by wards for the past several years.

Alderman Nomm with over 25 years service is the senior alderman. He opposed the resolution.

MRS. MARY WEBSTER
Mission Leader

World Traveler to Lead Witness Mission

Mrs. Mary Webster, a world traveler, will lead a "Witness Mission" at the Nameoki United Methodist Church, Pontoon road at Primrose avenue, beginning Sunday, May 3, at 7:30 a.m. each evening.

Her leadership of "Witness Missions" has led her to travel around the world, witnessing for Christ. Most recently she has returned from India, according to the pastor, Rev. William D. Foster.

In addition to her leadership, laymen from this area will also share a "lay witness" each evening. Special music will be furnished by choirs and other groups. The church pastor will lead the services.

Jury Awards Nothing In Auto Accident Case
After deliberating only 12 minutes, a Madison county jury found against an Edwardsville area woman who had sued the county and a deputy sheriff for \$25,000 over an auto accident in Granite City in May 1968. The jury allowed no money to Mrs. Emily Owens, who had claimed injuries sustained in the accident.

According to the suit, a sheriff's patrol car driven by Deputy Walter Delaney had struck the rear of Mrs. Owens auto which was stopped at a rail crossing. Judge Fred P. Schuman presided at the trial.

Citizen Group Requests Recount of Blue Ballot

Placed on file by the city council Monday night was a letter from the Citizens for Better City Government in Granite City asking for a recount of the special blue ballot tally in the April 1 city election.

The citizen organization pointed out the difference in the total vote for the city-wide candidates—12,414 ballots—compared to 11,993 special blue ballots on the reduction of the size of the city council.

One alderman remarked that the ballots should be turned over to the citizen group to count, but it was pointed out the canvass of the election already had been conducted. City Atty. Scroggins noted that the request for recount had to be made within 30 days of the election if the matter is to be taken to court.

Later in the meeting, a resolution on the vote canvass was read, and emphasis was placed by Alderman Parmley, who was reading the resolution that the special ballot lost by a vote of 508 to 5304.

804 Spoiled Ballots
The canvass showed there were 804 spoiled blue ballots, compared to 177 spoiled ballots for the candidates.

The citizen group is seeking to cut the size of the council in half, with one alderman instead of two representing each ward. The proposal was undertaken as an economy measure and in the hope of creating better harmony on the council.

Even with the reduction of wards for the April 1 election—four from eight to seven—the council will have 16 aldermen for the next two years.

Through redistricting, two holdover aldermen were placed in different wards.

3-Alderman Wards
The wards with three aldermen will be the Second—Whitman, who was elected two years ago; Jarrett, who was transferred through redistricting from the Seventh Ward, and Fudge, who was elected to a four-year term April 1st.

The same situation occurs in the Fifth Ward, with Nomm elected two years ago, Moerlein redistricted into the ward from the First Ward, and Basarich elected to a four-year term April 1.

City Atty. Scroggins advised the council that a ward cannot have three aldermen under

state statute and that it will be necessary for the holdover aldermen to determine by lot who is to be the ward alderman and who will be the alderman-at-large.

The aldermen-at-large will have the same powers and duties as other aldermen, but upon the expiration of their terms, the officers of aldermen-at-large are to be abolished.

There should be no problem in the Fifth Ward, as last year when he observed his 25th year on the city council, Alderman Nomm said he did not plan to run for another term.
